Austin College is a private, residential, co-educational college dedicated to educating undergraduate students in the liberal arts and sciences while also offering select pre- professional programs and a graduate teacher education program. Founded by the Presbyterian Church in 1849, Austin College continues its relationship with the church and its commitment to a heritage that values personal growth, justice, community, and service. An Austin College education emphasizes academic excellence, intellectual and personal integrity, and participation in community life. Thus, Austin College affirms the importance of:

A community that through its size, diversity, and programs fosters lively intellectual and social interaction among persons of different origins, experiences, beliefs, accomplishments, and goals.

A program that does not discriminate with regard to religion or creed, gender, gender identity, sexual orientation, national or ethnic origin, physical disability, age, or economic status.

A faculty that acknowledges teaching, sustained by active commitment to professional growth and development, as its primary responsibility.

A student body of committed learners, actively involved in the programs of the college and in service to the greater community.

A climate of civility and respect that encourages free inquiry and the open expression of ideas.

A non-sectarian education that fosters the exploration and development of values through an awareness of the world's religious, philosophical, and cultural traditions.

The mission of Austin College is to educate students in the liberal arts and sciences in order to prepare them for rewarding careers and for full, engaged, and meaningful lives.

All students, regardless of their year in school or their level of accomplishment, can benefit from the services provided by the Academic Skills Center.

Policy Regarding Use of Animals for Accommodation

It is the policy of Austin College to provide equal access and reasonable accommodation for individuals with disabilities to participate in any program, service, or opportunity provided by the campus; and to comply with Section 504 of the Rehabilitation Act, the Americans with Disabilities Act as amended by the ADA Amendments Act of 2008 (ADA), the Fair Housing Act, and other applicable federal and state regulations that prohibit discrimination on the basis of disability. Under the Fair Housing Act, persons with disabilities may request a reasonable accommodation of an assistance animal, including emotional support animal in housing when its use is necessary to afford a person with a disability an equal opportunity to use and enjoy a dwelling and/or the common areas of a dwelling. With respect to a request for an assistance or emotional support animal, Austin College will determine, on a case-by-case basis, whether such an animal is a reasonable accommodation on campus.

Prior to an animal being permitted on campus in a residential facility, the College must give approval. For a complete explanation of this process, please visit

Service Dog Definition

A “service dog” is any dog individually trained to do work or perform tasks for the benefit of an individual with a disability, including physical, sensory, psychiatric, intellectual, or other mental disability. Service dogs are trained to do specific tasks or “work” for the benefit of the person with a disability. This work or task the dog performs must be directly related to the handler’s disability.

Service dogs are working animals, not pets. Examples of service dogs include, but are not limited to, guide dogs, hearing dogs, and seizure response dogs. A service dog accompanies a person with a disability at all times, unlike a therapy/emotional support animal (ESA). A service dog is an animal with a good temperament and disposition, has reliable, predictable behavior, and is selected and trained to accompany people with disabilities.

Emotional Support Animal Definition

An emotional support animal (ESA) is an animal that provides comfort to an individual with a disability upon the recommendation of a healthcare or mental health professional. An ESA does not assist a person with a disability with activities of daily living, is not required to be trained to perform work or tasks, and does not accompany a person with a disability at all times. ESAs can be species other than dogs. The role of an ESA is to live with a student and alleviate the symptoms of an individual’s disability to provide equal opportunities to use and enjoy College housing. An emotional support animal is not considered a service dog under this policy or applicable law.

Calendaring Events & Reserving Facilities WCC 148 903-813-2293

Members or organizations of the Austin College Community, who wish to place an event on the College’s calendar, or to reserve a campus room, must complete an Austin College Event Planning/Facility Request form available in the Wright Campus Center Office (WCC 148). Forms should be submitted at least two weeks before the event. Requests will be granted at the discretion of the College. If your request is approved, you will receive a copy of the form to confirm that the event has been placed on the calendar and the facility reserved.

Priority is given to major College events, convocations and academic events. Requests are granted on a first come, first served basis. Staff members outside their normal services make no charge to College organizations unless the request includes food service, table linens or other set-up needs that require work.

Student Affairs & Support Services

Campus Police & Public Safety *Jackson Technology Center* *903-813-2555*

The purpose of Campus Police is to promote an environment of safety and security for the educational process at Austin College. Campus Police is charged with the responsibility of protecting life and property and preserving peace within the Austin College community. The officers of this department enforce all rules and regulations of the College as well as local, state and federal laws. They are commissioned Texas peace officers under the supervision of the Chief of Campus Police and serve as liaisons between local, state and federal law enforcement agencies.

Duties include the patrol/prevention of crime, on-campus escorts, vehicle/bicycle registration, firearm registration and storage, the payment of parking violations, etc.

Campus Police can be reached from off campus at (903)-813-2555.

Lost and Found

The Campus Police office serves as the campus lost and found center. All types of items are turned in throughout the school year, so be sure to check here first when something is lost. If an item is found with your name on it, we will notify you as soon as it comes in.

Vehicle & Bicycle Registration

Officers of the Campus Police Department, 24 Hours a day enforce parking Rules and Regulations. This is a summary of some of the key regulations affecting all students. A copy of the complete parking rules and regulations is available at the Campus Police office:

- Every vehicle must display a valid decal in the lower passenger side corner of the front windshield to be properly registered.
- Vehicle Registration is free. However, if a citation is issued that indicates the vehicle is not registered, there will be a \$75 fine for not being registered with Campus Police.
- When utilizing campus parking, vehicles may only be parked in a single marked parking space. Vehicles may not be parked in spaces designated for any special use, unless authorized for that purpose. A vehicle should never be parked in such a way as to create a hazard for others. Lack of parking space within close vicinity of one's destination does not justify violation of any parking regulation.
- Do not ignore AC parking citations. Failure to respond within the designated time will result in parking fines being doubled. Each unpaid citation will be charged to your account, even if your vehicle is not registered. Charges billed to a student's account for unpaid traffic violations exceeding \$400 will result in disciplinary action.
- Upon issuance of your fifth citation, your parking and campus driving privileges will be suspended, even if all your citations have been paid or have been changed to warnings.
- If you lock your keys in your vehicle, have a dead battery or your vehicle becomes disabled, contact Campus Police for assistance.
- Scooters and motorcycles are subject to the same rules on campus as other motor vehicles and must be registered with Campus Police.
- All appeals on parking citations and/or suspensions will be heard by the Peer Judicial Board.
- Students are urged to register their bicycles with Campus Police at no cost. Bicycle Rules and Regulations will be given upon request or at the time of the registration of the bicycle.

During the nighttime hours, Campus Police provides escort service across campus, should you find yourself in a situation or where you do not feel comfortable walking alone.

Getting Involved

Studies have shown that students who get involved within the college community perform better in school and are more likely to graduate. This does not mean that you should join every club or participate in every activity, but you should seek a balance of curricular and co-curricular activities that feels right for you. As a way to get you connected to the Austin College organizations, we offer a fall and spring Opportunities Fair at the first of each semester that we hope you will participate in.

Dr. Alexander Astin (1984) states that "For student growth to take place, students need to actively engage in their environment." This and many other studies show that getting involved benefits a student by not only getting them connected, but also keeping them on track for graduation.

At Austin College, a student can get involved with over 70 student organizations. Attend the Opportunities Fair to learn more about these great organizations. If you need additional information about getting involved feel free to stop by the Student Life Office in WCC 201, the Service Station, or talk to the Director of Student Activities, your residence hall staff, mentor or friends.

Philosophy of Residence Life

At Austin College, residence life is an important aspect of your total college experience. Our goal is to help you learn and grow both inside and outside the classroom. We strive to create a genuine community in our residence halls and apartments that will assist in making your time at Austin College rewarding and successful.

A thriving residential community gives you an opportunity to develop intellectually, socially, spiritually and personally. The experiences you gain while living with your peers are a fundamental part of your education. We encourage you to make the most of your time as an Austin College resident. The following guidelines have been established to facilitate personal and intellectual growth among resident students at Austin College.

Residence Life Staff

Area Coordinators (AC) are professional, full-time Student Life staff members who live in the residence halls and apartment communities. They coordinate areas such as programming, hall council advising and staff supervision as well as operational areas such as room assignments, maintenance and housekeeping. Each residential facility houses a staff of Resident Assistants (RA) or Resident Managers (RM), who are undergraduate paraprofessionals trained to assist students living on campus. Your RA/RM acts as an advisor, listener, programmer, resource person and a representative of the College. RAs are experienced members of the Austin College community and can be valuable support people for you throughout the year. In Clyce Hall, a veteran RA or other student leader is utilized in the position of Head Resident to help manage the facility under the guidance of an AC.

Housing Agreement Residency Requirements

- Students admitted as first-year matriculates, with a CI year assignment, must live in on campus housing designated by Austin College for a minimum of six (6) fourteen (14) week semesters, including January Term, or the equivalent of three academic years.
- Students admitted as transfer matriculates, may attain approval to live off campus from the Financial Aid Office at time of Admission.
- All students residing in on campus housing are expected to be enrolled for the full time equivalent of no less than three courses. Students residing in on campus housing must subscribe to a meal plan membership as provided by the College. All entering new students (freshmen) will be assigned a 7-day meal plan.
- Exemption to the College residency requirement may be granted for those full time students who either are married or have legal custody of a child that lives with him/her. Such exemptions will be granted the Dean of Students upon receipt of related documentation and the completion of the Austin College Intent to Live Off Campus form.

Residence Hall Contract

In order to provide campus housing at the lowest possible rate, the College operates its residence halls on a contractual basis for the full academic year. Your contract is in effect from the date on which it is accepted by the College throughout the academic year in which you are enrolled as a full-time student. The conditions for cancellation or termination of the housing contract are stipulated on the contract.

Room Assignment Procedure

New Students, depending on enrollment status (i.e. freshmen, transfer) are assigned to appropriate spaces within the residence halls. Assignments are prioritized according to the date(s) that all housing related information is received. New students are assigned roommates using the Myers-Briggs Type Indicator, lifestyle preferences, and other data when available. New students are not assigned to the Jordan Family Language House unless approved by the language faculty. Students with specific roommate requests should indicate them in writing to studentlife@austincollege.edu before June 1st.

Returning Students are given an opportunity to select a room for the following academic year during the posted room selection period.

Students living abroad during the year preceding their return to campus need to either provide their priority for room selection in writing to Student Life, or authorize a student to participate in the room selection process for them.

Student Life

Liability

Although precautions are taken to maintain adequate security, the College does not assume any legal obligation for injury to persons, including death, or for the loss of or damage to items of personal property, which occur in its buildings or on its grounds. Students are encouraged to carry appropriate insurance to cover possible losses of personal property. The College is not liable for failure or interruption of utilities or malfunctioning of such systems.

Safety & Security Philosophy

The College is very concerned about the safety of all students, especially those living on campus. The College campus is not exempt from crime or criminal behavior. Thefts and other minor incidents have occurred in residence halls, apartments, or cottages. In most of these cases, the incidents occurred when students did not lock their doors or when doors were propped open. Resident students should take the same precautions on campus as they would living off campus. The College seeks to protect community members, but safety is also a student's responsibility. Therefore, if you live on campus you are strongly encouraged to lock the door to your room at all times, especially in the evening hours or while sleeping. You should not prop open outside doors since such action jeopardizes the security of the living unit. Any student found propping a door open may be referred for disciplinary action.

Access System

To provide a safer environment in which to live, the exterior doors to all residence halls will remain locked 24 hours a day. You may gain access to your residence hall using your ID card at any time. To release the lock, wave your ID card in front of the card reader. Non-hall residents may enter the hall as guests of a hall resident during visitation hours.

Additionally, non-hall students can apply for secondary access privileges with sponsorship of a resident and gain such privileges by the vote of the hall council.

The Student Life staff reserves the right to deny access to non-residents if circumstances exist which pose a threat of harm to residents.

Individuals may also be denied access for disciplinary reasons. The access system is intended to improve security for all residents of Austin College. College community members who tamper with this system, or otherwise compromise the safety of the residents, will be subject to disciplinary actions. Campus Police monitors the card access system and will respond if a door is propped open.

Once an ID card has been lost, stolen or misplaced, report the missing card to Campus Police immediately. They will then remove the number from the access system. Campus Police can also issue a temporary access card for a limited time until your card is found or replaced.

Temporary cards are issued for a specific time, normally until 9 am the next business day. The temporary card does not serve as an ID, library card or meal card. If the temporary card is lost, a replacement charge of \$25 will be billed to the student's account. For a replacement card, go to Campus Police.

Student Life

Policies & Procedures *Break Periods*

Residence halls are closed at Austin College three times during the academic year: Thanksgiving, Winter and Spring Breaks. Closing time for these periods begins two hours after the dismissal of classes or last final examination. Specific closing times are posted in the halls before each break. Students with finals at any time of the last day of finals may request an extension for check-out until the next morning, no later than 10am. All extensions must be requested by the last official class day before finals week begins.

There is no access by students to any personal items left in the residence halls during “closed” periods. Therefore, be extremely careful to take everything that you need with you. During these break periods staff will complete health and safety checks in each student’s room. If you have not checked-out of your hall with the appropriate staff by the designated closing time, you will be charged a \$50 fine.

Consolidation

Occasionally, assigned roommates may choose not to attend Austin College or leave school after the semester begins. As a result, some residents may find themselves in a room without a roommate. At Austin College, our philosophy is that learning to live with others can be a valuable and enriching experience. Therefore, all freshmen are required to have a roommate. Students without roommates must find someone to move in with them or move into another room with a roommate, unless they have priority on the singles waiting list and wish to pay for a single room (see Single Rooms, pg. 18). If a student is unable to arrange to consolidate, the Area Coordinator will resolve any issues that impede the process, at his/her discretion.

Cooking

Due to fire regulations and electrical limitations, you may not cook in individual rooms of the residence halls. Cooking should be limited to those areas within the residence halls that are designed for that purpose. You must clean utensils and dishes used in the cooking areas immediately after use. Each residence hall has a full size kitchen with a stove, microwave, refrigerator and sink for student use.

Electrical Appliances

Each electrical circuit in the residence halls provides power for several students’ rooms. For this reason, you are encouraged to plug in no more than two appliances per outlet. More than two appliances may result in the circuit overloading and shorting. Many appliances use excessive electricity or, if used incorrectly, may present a fire hazard. For these reasons, the following appliances are not permitted in the residence halls: any appliance requiring 220 volts, hot plates, sandwich makers, “George Foreman” grills, microwaves, portable heaters, air conditioners, any appliance with an exposed heating element and any appliance/device that is determined to be the cause of a circuit overload.

Microwaves, “George Foreman” grills, and sandwich makers are approved for Roo Suites, Bryan Apartments, The Flats at Brockett Court and The Village on Grand however. Computers, radios, televisions, stereos, hot pots, popcorn poppers, refrigerators no larger than 4.4 cubic feet, clocks, hair dryers and curling irons are permitted in the residence halls

College Photography and Publicity Release

Austin College does not collect release forms for the use of images or videos taken on campus as scenes of campus life are the best illustration of the College for marketing and publicity needs.

Still or video photo shoots by College photographers or those employed by the College may be informal (candid’s of campus scenes and activities) or formal (planned visits to classrooms and labs, etc.) Images may be added to the College image library (maintained by the Communications Office), published on the website and in College publications, and/or provided to outside organizations for the use of illustrating or promoting the College.

Student Life

Anyone with concerns about inclusion in such photos should notify the photographer immediately (and remove him/herself from the photo group). Other concerns should be directed to the Communications Office at editor@austincollege.edu.

Firearms & Fireworks

All firearms are prohibited on Austin College property. The possession, storage, or use of any firearm, (openly carried or in a concealed manner) or weapon is strictly forbidden. In accordance with Section 411.2031, Texas Government Code, and after consultation with the campus community, Austin College determined to prohibit handgun license holders from carrying concealed handguns on campus.

All students, employees, outside contractors, and visitors holding a valid license issued by the State of Texas to carry a handgun are forbidden from entering in or on the Austin College premises with a concealed handgun and are given the following statutory notice with which they must comply:

CONCEALED HANDGUNS PROHIBITED

Pursuant to SECTION 30.06 PENAL CODE (trespass by license holder with a concealed handgun), a person licensed under subchapter H, Chapter 411, government code (handgun licensing law), may not enter this property with a concealed handgun

OPENLY CARRIED HANDGUNS PROHIBITED

Pursuant to SECTION 30.07 PENAL CODE (trespass by license holder with openly carried handgun), a person licensed under subchapter H, Chapter 411, government code (handgun licensing law) may not enter this property with a handgun that is carried openly.

The only exceptions are:

- a. A regular employee of Austin College (whose primary purpose at Austin College is employment related) who holds a valid handgun license issued by the state may store or transport a lawfully possessed firearm or ammunition in a locked, privately owned or leased motor vehicle on the Austin College premises, per Section 411.2032(b), Texas Government Code.
- b. A regular employee of Austin College (whose primary purpose at Austin College is employment related) or a currently enrolled student of Austin College may bring unloaded hunting rifles, shotguns, or other approved firearms and ammunition directly to the Austin College Campus Police & Public Safety Department to be checked in and stored in the secure, locked facility.
- c. Law enforcement officers and other officials authorized by state law.

Fireworks, ammunition and explosives of any kind are not permitted on campus at any time. You may have a shotgun or rifle if it has been registered with Campus Police. Registered guns must be kept in the designated gun closet in the Campus Police Office. Handguns of any type are not permitted. Weapons cannot be kept in rooms or vehicles. For additional information, contact Campus Police, 903-813-2555.

Fire Evacuation & Equipment

Fire evacuation routes are posted on each floor of all residence halls. You should be familiar with the evacuation route for your floor. Fire evacuation drills will be held each semester for all residence halls, so that residents may become more familiar with their evacuation route. Participation in fire drills is required for those present in the building during the time of the drill.

Fire extinguishers are checked monthly by campus police. Fire extinguishers are located on each floor and fire alarms are located at each exit. These are to be used only in case of actual fire. False fire alarms and the use of fire extinguishers for purposes other than an actual fire may result in life-threatening situations and are violations of state law. Students involved in false fire alarms or improper use of fire extinguishers will be subject to College disciplinary procedures and criminal prosecution as well as a fine for repairing or refilling the fire equipment.

Failure to evacuate in an emergency situation (including drills), or being responsible for any open flame or heating element in a residence hall shall minimally result in the following recommended sanctions:

- 1st Violation – Letter of Warning and a \$25 fine/item
- 2nd Violation – College Housing Probation and a \$50 fine/item
- 3rd Violation – College Housing Suspension and a \$100 fine/item

Guidelines for Fire Emergency or Safety Policy Violation

Misuse or tampering with fire emergency related equipment (alarms, extinguishers, lights, etc.) shall minimally result in the following recommended sanctions:

- 1st Violation – College Housing Probation and a \$100 fine
- 2nd Violation – College Housing Suspension and a \$200 fine

Greater penalties, including suspension or expulsion may be assessed depending on the nature of the violation

Fire Hazards

The use and/or possession of explosives, firecrackers or incendiary devices (including candles and incense) in or near the residence halls presents a fire hazard and is not allowed. Appliances with exposed heating elements (such as toasters and hot plates) are not permitted in the residence halls. Halogen lamps of any kind are not permitted in the residence halls. Furniture, including tables, sofas, lounge chairs, cooking grills, smokers and other items, are not allowed in the breezeways, landings, or patios of Bryan Apartments, Roo Suites, The Flats at Brockett Court and The Hass Village on Grand because of the safety hazards they create.

A Violation of this policy will lead to discipline, up to and including suspension and expulsion.

Furniture

You may not remove furniture from public areas or residence hall rooms. Room furniture may not be disassembled and if you occupy a double room as a single, you must keep all furniture in the room. Violations of this policy will be addressed as disciplinary issues and will result in a minimum \$25 fine for furniture removal or reassembly.

Student Life

Guests

A guest is defined as any non-resident in a residence hall, apartment community, and the Hass Village on Grand. Residents are responsible for the behavior of their guest(s) at all times.

A roommate's right to free access to their living space at all times must not be restricted by a guest or visitor. A roommate must not be deprived of the right to privacy, study time or sleep because of a guest.

Residence Halls: Overnight guests (of the same gender only) may be allowed if agreed upon by all residents of the room and registered with the Area Coordinator (on a space available basis). No charge will be made for properly registered guests.

Apartments/Flats/Hass Village on Grand: As part of living in an upperclassman community residents are not required to register their guests with their Area Coordinator. Residents are responsible for discussing with their roommates in advance what the rules are for common areas (including kitchens, living rooms, and bathrooms) for their specific unit.

Normally, guests may stay no longer than 48 hours; the Dean of Students or his / her designee must approve longer visits. Please note that all guests are expected to follow the same policies and procedures as residents.

January Term Policies

If you are enrolled in an on-campus Jan term class, you may stay in the residence hall at no extra cost. If you are not enrolled in a Jan term class or are enrolled in an off campus class, you may not remain in the residence halls during Jan term. Credit for room and board will not be issued for a student who fails to take a Jan term course. Students must notify the Dean of Students prior to the beginning of Jan term if they will be participating in an off campus course, career study, independent study or directed study.

Students from other schools who choose to take a Jan term at Austin College and live on campus are required to pay the normal per course tuition. Austin College students enrolled full-time in the preceding fall semester or the succeeding spring semester do not accrue additional costs for Jan term.

Roommate changes are allowed during Jan term only if all students affected by the move are present. If one or more students involved in the move are away during Jan term, the move will not be allowed until those students return to campus.

Lock-Out Policy

As responsible individuals, students are expected to carry their room keys with them at all times. Residents are also discouraged from leaving rooms unattended or unlocked. Bryan Apartments, Roo Suites and all residence halls employ the Best lock system, which causes doors to lock automatically when closed.

Each residence hall votes on a lockout policy as part of their hall living plan. The available options for lockout policies are:

During visitation hours:

- 3 free and \$1 after OR 4 free and \$2 after OR
- 5 free and \$3 after.

After visitation hours: (each lockout counts as two)

- 3 free and \$2 after OR 4 free and \$4 after OR
- 5 free and \$6 after.

Student Life

Lofts

To protect your safety, the Director of Residence Life, in consultation with the Physical Plant, must approve your loft before you build it. The College assumes no liability for any injury resulting from a loft that is installed under this policy. Lofts must be built from treated, fire retardant lumber and must be assembled using bolts; you may not use nails in the support assembly. Loft supports must be 4" x 4" posts and there must be a minimum of three feet clearance from the top of the mattress to the ceiling. Additionally, lofts must be free standing and must be padded to prevent damage to walls due to swaying or bumping. All beds and furniture assigned to the room must remain in the room. Students who build lofts will be charged for replacement of any damaged or missing furniture. A resident will be charged a removal fee for any unauthorized construction and/or failure to remove lofts before you check out of the hall.

Unauthorized Pet(s)

Due to health hazards such as fleas and possible allergic reactions, only fish are permitted as pets in the residence halls, suites, apartments, cottages or language houses. Pet fish must be maintained in aquariums no larger than 15 gallons in volume. If you are found to have an unauthorized pet, the fine for having such pet is:

First Violation Unauthorized Pet(s) - \$175 fine

Second Violation Unauthorized Pet(s) - \$325 fine

Third Violation Unauthorized Pet(s) - \$475 fine

Greater penalties, including suspension or expulsion may be assessed depending on the nature of the violation.

Quiet Hours

Since the residence halls provide many students with a place to study and sleep, you are asked to keep noise at a reasonable level at all times. To insure that the hours during which sleep and study are most likely to occur are quiet, each residence hall designates specific hours as "quiet hours" by voting on the hall living plan at the beginning of each year. During these hours, you are expected to keep noise to a minimal level and to be considerate of other residents. The right to a quiet living environment supersedes the right to make noise twenty-four hours a day. Residents are expected to honor any request for quiet during the designated quiet hours, as well as at other times when special requests are made.

During final exam week, residence halls observe 24-hour quiet hours to provide a more favorable atmosphere for studying. You should remember that not all students complete their finals at the same time; therefore, infractions of this policy may result in immediate removal from the residence halls. A violation of this policy will lead to discipline, up to and including suspension or expulsion.

Quiet Hour Options:

Sunday - Thursday 10 p.m. - 10 a.m. or 11 p.m. - 10 a.m.

Friday - Saturday 11 p.m. - 10 a.m. or 12 a.m. - 10 a.m.

Residence Hall Governance

The primary governing body of each residence hall is the Hall Council and its three elected officers: President, Secretary and Treasurer. The Hall Council helps compose and submit the residence hall living plan, which includes such items as visitation, lock-out policy, quiet hours and courtesy hours, after it is voted on by the Residence Hall Community. Hall Council is responsible for secondary access process. It also serves as a communication link to the Student Life Office. Any resident has the right to initiate a proposal to change rules and policies within the residence hall. The Hall Council may generate proposals or a group of residents through a petition may submit them to the Hall Council. The Student Assembly allots programming money for each Hall Council to sponsor programs and activities.

Student Life

Other governing bodies within the residence hall system on which students have the opportunity to serve are Peer Judicial Board and Student Assembly Representative. Students are elected to the Peer Judicial Board and Student Assembly through their living unit. If you would like more information on these organizations, speak directly with your Area Coordinator or stop by the Student Life Office, WCC 201.

Room Clearance & Check-Out

When you are ready to vacate your housing assignment, you must check out with the appropriate staff. You should clear your room of all personal items, carry all trash to the outside trashcans or dumpsters and return all furnishings to their original place. You should clean the floor, desktops, drawers, closets, shelves and all furnishings. Your room should be in a condition equal to that when it was originally occupied.

You must then arrange for an RA/RM to check the room in relation to the room inventory form you filled out when you checked in and you will be given the opportunity to correct any discrepancies. When the corrections are made, the RA/RM will note on the room inventory form those conditions that are in question. Your AC will perform the final assessment of all conditions and/or discrepancies immediately following closing of the hall. To complete the checkout procedure, you must turn in your key to your RA/RM. You are expected to follow the proper check out procedures. Students who do not check out properly or on time will be subject to fines. Students who leave items (such as trash, carpets, furniture, etc.) outside their rooms or simply sweep dirt out their doors will also be subject to fines.

Room Damages

You will be provided with a room inventory form to complete and sign when you move into or out of a residence hall room. Based on the information noted on this form, the College will assess damages and bill residents for anything beyond normal “wear and tear” in that room. If you fail to complete and sign the inventory form as required, you have no recourse in questioning damage charges. Damages are generally identified at the time you officially check out of the room. Failure to report damage or missing items on an inventory form does not absolve you of responsibility for that damage repair or replacement cost.

Damage charges within residence hall rooms will be billed to both roommates on an equal basis unless one or the other instructs the Area Coordinator to make the charge to him/her. Damages to public areas of the hall will be charged equally to all of the residents within that wing, floor or hall, when the person(s) responsible cannot be identified. The total public damages must be a minimum of \$5 per occupant to activate this charge.

Room Entry (Inspections & Searches)

Residence hall rooms may be inspected or searched for fire hazards, health hazards or suspected violations of College or residence hall rules. An inspection means a visual survey of the external appearance of a room and the interior of its closets. A search involves a detailed inspection of the room including opening of drawers and personal belongings. Searches must be authorized by the Vice President for Student Affairs and Chief Inclusion & Diversity Officer or his/her designee. A Student Life professional staff member may conduct inspections at any time. Residents will be notified, when possible, so that they may be present during the inspection/search.

A Student Life professional staff member may conduct safety and health inspections at any time. A list of discrepancies will be left in the room. These discrepancies must be corrected before the follow-up inspection, conducted within seven days from the date of the original inspection. The installation of supplemental locks or the unauthorized alteration of existing locks is prohibited. Routine fire extinguisher inspections will take place in Bryan Apartments, the Flats at Brockett Court, North Flats, and the Hass Village on Grand.

Student Life

Room Keys

You will be issued one key when you move into your residence hall room. You must return the key at the end of the school year, or when you move from the room. If you lose your key, immediately report the loss to your Area Coordinator. Campus Police will replace keys for \$75 each. If your residence hall/suite/apartment is under the “BEST” locking system, you will be charged \$75 for each lock/core to be changed. In Roo Suites and The Flats At Brockett Court, the cost of the suite door will be \$150 and the cost of the bedroom door will be \$75. In Bryan Apartments, the cost will be \$150. In The Village on Grand the cost of the exterior door key will be \$135 and the cost of the bedroom door will be \$75.

Room Painting

Residents are not allowed to paint their rooms.

Room Personalization

Austin College encourages residents to personalize private and semi- public areas of their residence halls as much as possible. To insure proper safety and protect your work, you must obtain clearance from your Area Coordinator before undertaking work of any permanence.

Sales

The Dean of Students or his /her designee must approve any sales within campus housing areas by individuals or organizations.

Single Rooms

The College provides a limited number of guaranteed singles to seniors/ graduate students and juniors. Individuals assigned to guaranteed singles are assured the single room throughout the year. Additional singles will be assigned on a space available basis according to the single room waiting list and are subject to changes in assignment due to seniority or need for additional bed space. The Student Life Office maintains a prioritized list of students desiring a single room. This list is prioritized by classification and date of request. Sophomores must meet with the AC of the hall to discuss any special needs for a single room. Sophomores will be allowed single rooms at the discretion of the Dean of Students or his/her designee on a space available basis.

Natural Single — A limited number of number of natural singles are available in some halls. The additional charge for a natural single room will be billed per semester to the student’s account. These rooms are guaranteed singles.

Double as a Single – On a space available basis, a small number of converted (a double room as a single) singles are provided to students. An additional charge for a converted single will be billed per semester to the student’s account.

Storage

There is no storage available in the residence halls.

Skateboard, Hooverboard, & InlineSkate Policy

It is Austin College’s policy to allow the use of skateboards, hover boards, roller blades, skates, bicycles and similar devices for transportation on campus within the parameters cited below: In order to avoid injury, the use of skateboards, hover boards, roller blades, bicycles or any other non-pedestrian transport conveyances will not be permitted within any building. Roller blades or attached devices must be removed prior to, or immediately upon entering the vestibule of all buildings. Users of these devices are expected to maintain control of their actions at all times and not operate these devices at high speeds or in ways that endanger the safety of themselves or others.

Student Life

Smoking Policy

Austin College is a “clean air” campus. All campus facilities are non-smoking. Smoking, including tobacco, electronic cigarettes, and vaporizers, is permitted in designated areas only. Please refer to the campus map located on the last page of this document, which outlines designated smoking areas on campus. Violations will result in disciplinary action. Austin College seeks to maintain a healthy residential campus and work environment. Thus, tobacco products are not sold on campus. All campus buildings/facilities are non-smoking including residence halls. For the purposes of this policy, smoking includes the use of tobacco, electronic cigarettes, and vaporizers. Enforcement: The effectiveness of Austin College’s smoking policy depends upon voluntary compliance and respect among members of the College community. Students, faculty and staff have the right to ask a person to stop smoking in non-smoking areas and should not be harassed after making such a request. If a person blatantly and continuously violates this policy, an individual member of the College community may use the grievance procedures established in the College’s various judicial policies to seek redress. For a complete copy of the Smoking Policy, please contact the Human Resources Office.

Traffic Signs & Signals

Students are not permitted to have street signs (excluding novelty signs), city limit signs, traffic signs, barricades, flasher signals, flare pots, or any other traffic warning devices in their rooms.

Maintenance Requests

To create a work ticket for maintenance issues, please send an email to physicalplant@austincollege.edu. In the subject line of the email, please indicate the location of the issue such as the building name and room number. In the body of the email, give a detailed description of the nature of the problem. After submitting the request, you will receive a confirmation email with a ticket number. Please refer to the ticket number if you contact us in regards to the status of your ticket.

Visitation

The public areas of each residence hall are open to the opposite gender during specific hours, which may vary from hall to hall. These hours are determined at the beginning of each year and are listed in the hall living plan. Visitation hours for individual rooms is voted on at the Town Hall Meeting at the beginning of the fall semester. Each hall may choose between Standard Visitation Hours or extend them to Maximum Visitation hours. Visitation hours may be lengthened if 75% of a minimum of 90% of all hall residents vote in favor of the proposed change. To be eligible to vote, residents must attend the Town Hall Meeting at the beginning of the term. The vote must be by secret ballot.

Austin College does not allow cohabitation in underclassmen housing. Students of opposite gender may not arrange to live together in a residence hall room, Roo Suite, Bryan Apartment or Flat. A cohabitant is defined as a visitor (regardless of gender) who adopts daily activities analogous to those of an assigned resident with respect to unlimited use of the room, using amenities of the hall (such as the laundry room and bathroom) on a frequent basis and any combination of other similar activities.

Options for Visitation Hours:

Missing Student Policy

Higher Education Act Reauthorization with Higher Education Opportunity Act – 2008 Section 485(j) requires all institutions of Higher Education that participate in any Title IV program and provide on –campus housing to students to establish both a Missing Student Notification Policy and Official Notification procedure for handling missing persons that apply to missing students reports of student who reside on campus.

Missing student policy is defined as any currently registered student of Austin College who has not been seen by friends, family members or associates for 24 hours, and whose whereabouts have been questioned and brought to the attention of a member of the College community.

The College will initiate an investigation when notified that a student; who resides in a campus residence hall, is missing, with no reasonable explanation for his/her absence. The investigation will include gathering of all information including: discussions with friends and roommate, meal and card access use around campus, social networking sites if possible, contacting them by phone or text.

In the event of a missing student residing on campus, the Dean of Students will notify the parents/family members regarding the situation. In the event the student does not reside in a College residence hall, Campus Police will notify the appropriate local police authorities and an investigation will be initiated.

Each fall new and continuing students will be provided with an opportunity to denote a confidential contact person. If a student has not reached their 18th birthday at the time they are reported missing for 24 hours. In such circumstances, the College will notify the student's custodial parent or guardian.

In Case of Emergency (ICE)

You must provide notification contact for use in the event of an emergency. You may list as many contacts as you like. Every six months, you will be prompted to review and verify this contact information during the registration process. Students will update their ICE contacts after registering for classes if the ICE information has not been updated within the last 6 months.

The following information provides a systematic guide on how to update your ICE information on WebHopper:

Student Life

The date of when your ICE information was last updated can be confirmed in the Webhopper Student Menu
> Communications > ICE (In Case of Emergency) INFO.

ICE (In Case of Emergency) INFO

AC Alert is part of Austin College's Emergency Alert System for on-campus safety and security. AC Alert Emergency Notification System

AC Alert is an emergency notification system provided to all Austin College students, faculty, and staff. It is provided by NTI Connect- ED and is designed to help facilitate emergency communication by voicemail, email, and text messages.

The safety of the students, faculty, and staff at Austin College is very important. For this reason, Austin College has chosen to develop an emergency notification system. This system allows the College to send a message to you quickly by cell phone (including text messaging), landline, and email to alert you to emergencies at Austin College. The information you provide will only be used in an Austin College emergency.

Students are required to confirm and update if necessary their AC Alert Emergency Notification Information at the beginning of each year or the beginning of the Spring semester if not enrolled in the Fall. If the information is not updated by the 12th class day of the semester, a fine of \$25 per week will be assessed until the record is completed.

The delivery success is only as accurate as the contact information you provide to us. If this information changes throughout the year. Please go to your Webhopper page and click on AC Alert Emergency Info in order to update your information.

Campus Activities & Organizations

Art
Forster Art Complex
903-813-2048

Opportunities in the arts abound at Austin College and you are welcome to observe or participate. Artists are brought in every year to speak and to exhibit their work in one of the art galleries located in the Forster

Art Complex, Ida Green, or the Wright Campus Center. Students are welcome to attend gallery talks, participate in workshops, and engage in critiques with the guest artists. Additionally, there are many exhibits of student work every year, including senior solo exhibitions, small group exhibitions, and the End of Year Student Show that is open to all students. Student shows can be found in the Ida Green Projects Gallery, the Craig Hall Gallery, and the Ross Student Gallery and Dennis Gallery in Forster.

Music
Craig Hall Office
903-813-2251

There are always places for new students in the varied ensembles and activities of the Music Department. Fall auditions are held for A Cappella Choir, AC Chorale, Concert Band, Jazz Ensemble, Woodwind Ensemble, Brass Ensemble, Sherman Symphony Orchestra and other performing groups. For more information, contact the Craig Hall office.

The Community Series presents diverse and exciting events during the academic year. Events are free to Austin College students by presenting a current student ID. Adult season tickets are available for \$75. You can pick up ticket information and a schedule of events in Craig Hall 104, or call 903-813-2251. The Sherman Symphony is co-sponsored by the College and Sherman Symphony Board and performs several times each year as part of the Community Series. The orchestra has openings for talented students and invites them to audition.

Bulletin Boards

Austin College provides a number of bulletin boards located in the Wright Campus Center for use by chartered student organizations. Austin College community groups may use these boards to post notices, pictures or other materials. Organizations may not display anything that is obscene, lewd, in violation of the Non-Academic Code of Student Conduct or Bulletin Board Policy or that may cause embarrassment to the College. The College reserves the right to remove any material that violates its policies or procedures.

All chartered student organizations will have the opportunity to participate in a lottery system to designate bulletin board space. Any space left after the lottery will be assigned to organizations on a first-come, first-served basis. For more information, contact the Event Services Manager in WCC 148, 903-813-2293.

Distribution of Campus Wide Email

Student organizations wishing to distribute messages to all students via email should use their Austin College email to send an e-mail with the organization's event information to acstudents@austincollege.edu by 3pm (Monday-Friday) so that it can be included in the daily e-mail digest, subject to the discretion of the College. If you still have questions, contact the Dean of Students in WCC 201, 903-813-2306 or his/her designee.

Campus Activities Board
WCC 259
903-813-2308

The Campus Activities Board (CAB) works in conjunction with the Director of Student Activities to coordinate activities on campus. This lively group initiates, plans, carries out many entertaining events, and obtains all of its funding from the Student Activity Fee.

CAB consists of a President, VP of Administration, VP of Finance, VP of Marketing, four committee chairs, and volunteer committee members. Members are encouraged to get involved in every step of planning and implementing events. Campus activities are also initiated and sponsored by many different student groups, either independently or through co-sponsorship with CAB. Students will hear about these

Campus Activities & Organizations

events through calendars, posters, mailings, weekly reminders, and emails. If you would like to become a part of CAB, join our weekly meetings Tuesdays at 5 p.m. in WCC 254, contact a member of the board, or e-mail us at CAB@austincollege.edu.

Chartered Organizations must have an approved constitution on file and must submit an annual list of officers, members and sponsors to the Student Life Office each semester. They may participate in campus- wide activities and sponsor their own activities and projects on campus. Chartered organizations are under the direct authority of Austin College. Austin College chartered organizations may be affiliated with a national organization but must have and maintain Austin College chapter status.

Chartered Organizations

Chartered organizations receive all of the following privileges:

- Regular use of College meeting facilities
- Application for a Student Activity Fee appropriation from Student Assembly
- Access to the Student Resource Workroom (Adams Center 101)
- Use of the College name in publicity and press releases
- Listing in College publications
- Eligibility for bulletin board space

Academic Honor Societies

Academic Honor Societies, under the supervision of the faculty, submit constitutions and follow-up materials to the office of the Executive Vice- President and Dean of the Faculty. These documents are then forwarded for permanent filing to the Student Life Office, which maintains charters, charter updates and charter revisions.

For more information on guidelines affecting chartered organizations, how to get involved or how to start a new registered or chartered student organization, contact the Dean of Students in WCC 201, 903-813-2306.

Social Fraternities & Sororities

Austin College, along with its emphasis in academic areas, tries to provide social activities for interested students. For this reason, the Board of Trustees has approved a Greek system of local fraternities and sororities. These organizations contribute to the social life of everyone, Greeks and independents alike. A Greek organization is chartered for the purposes of:

- strengthening the educational program of Austin College,
- promoting the social development of participating members,
- furthering the concept of service to others, and
- providing responsible leadership roles for members.

There are nine fraternities and four sororities chartered at Austin College. Each Greek organization is locally chartered, and no separate houses or special facilities are maintained for them or by them. Please refer to the Greek Life Handbook for complete policies and procedures.

Campus Activities & Organizations

General Recruitment Information

Recruitment activities formally occur the first week of spring term. These activities give the prospective members and the members of the sororities and fraternities an opportunity to be acquainted with one another and allow prospective members to identify organizations that can meet their needs. If you are considering affiliation with a Greek organization, you are strongly encouraged to ask questions of members of fraternities and sororities about the nature and activities of their organizations. More specific information about the recruitment process will be distributed during the academic year.

Eligibility for Greek Recruitment

To be eligible to participate in recruitment activities and receive and/or accept an invitation to membership, you must:

- Not be on academic, disciplinary or social probation
- Be a regularly enrolled full-time undergraduate student
- Have attended Austin College at least one fourteen-week term as a full-time student
- Have at least a 2.25 cumulative grade point average, and freshmen must have 2.25 GPA at the end of the fall term
- Register for recruitment as described by College policy;
- Participate in Women's & Men's Recruitment Information Sessions (Round Robins) in the fall.
- Complete and pass the alcohol, drug, opioid drug, and sexual misconduct modules on the Student Success platform.

Fraternities and sororities are organized under the Greek Council, which deliberates any problems, rules or general correspondence needing attention by the program as a whole. Direct any questions or concerns about Greek organizations to the Director of Student Activities, WCC 201, 903-813-2306.

The Pouch Club

The Pouch Club is a private club for students, faculty and staff of the College that provides entertainment and space to relax and enjoy the company of friends. The Campus Activities Board and student organizations sponsor activities and events in the Pouch Club over the course of the year. The Pouch Club also provides some opportunity for student employment.

All members and their guests are expected to know the rules of The Pouch Club, Inc. Members receive a set of rules when they join and may obtain additional copies upon request. The Pouch Club conforms to all rules and regulations required for licensing of private clubs in the state of Texas. Because of the minimum drinking age of 21 and increasing liability for private clubs, the following clarifications have been made:

- A. Any community member (faculty, staff or student) who is of legal drinking age and desires to drink in the Pouch Club must purchase a membership. Members of the College community cannot be guests of Pouch Club members.
- B. Non-community members of legal drinking age can be guests of members of the Club. Members are responsible for adhering to all Pouch Club rules and are held responsible at all times for the behavior of their guests.
- C. All members and guests must show a valid Texas driver's license or Texas State ID proving age. Management reserves the right to accept or deny any out-of-state ID. Members and guests will be provided a wristband that must be worn at all times while consuming alcohol in the Pouch Club.
- D. Pitchers of beer or carafes of wine will not be served. Only one drink per member or guest will be served at a time.

For sanctions regarding the violation of Pouch Club rules, please check the Alcohol Policy in this handbook.

Campus Activities & Organizations

Student Activity Fee

Each student is required to pay an annual Student Activity Fee. These funds are distributed through the Student Assembly and are typically provided to the Campus Activities Board, the Austin College Observer (online newspaper), the residence halls, and pay for the student planners and various other student organizations.

Students or student organizations who would like to submit a request for funds should contact the Student Assembly office in WCC 176, 903-813-2300, or by email at assembly@austincollege.edu.

Student Assembly WCC 176 903-813-2300

Student Assembly (SA), the student governing body for Austin College students, serves in an advisory capacity to the Student Affairs Division and other bodies on campus that seek general student opinion. SA may seek to recommend and/or revisit current policies through the Student Life Office. It also considers charter applications of campus organizations, allocates Student Activity Fee funds and recommends students to serve on various campus-wide committees.

The Student Assembly consists of the Student Body President, Student Body Vice-President and Representatives elected from each class year, each on-campus living unit, and the off campus population. A secretary and treasurer staff SA. SA encourages you to bring your concerns to its office or leave a comment in the red box located outside the Student Assembly Office.

Student Publications Wortham Center 233 903-813-2232

The **Austin College Observer**, the student newspaper, is published regularly online at www.acobserver.com. The online newspaper contains news, features, editorials, columns, sports and other information of interest to the campus and the community. All story materials, ideas and questions should be directed to the student editor.

While the **Observer** is a student publication funded primarily by student activity fees and advertising sales. It is still considered a publication of the College and must conform to the editorial policies of the publications committee. Responsibility is delegated to the editors and advisor to operate within these policies.

The literary magazine, **Suspension**, is also subject to these editorial policies, but the magazine is under the direction of the English Department with a member of that department serving as editor.

The president of the College, as publisher, has ultimate authority over all College publications and their contents. Unless extreme circumstances warrant intervention, the publications committee and the editors and advisors retain the above rights.

Vending Machines

Vending machines are located throughout campus. Students and other members of the AC community should stop by the Wright Campus Center office, WCC 148, and complete a "Lost Money" form for all refunds on soda machines. For candy machine refunds, the AC community should stop by the Aramark Office, which is also located in the WCC in room 117.

The WCC office is open from 8:30 a.m. to 5 p.m. Monday-Friday. A change machine is located in the Wright Campus Center by the ATM, which is on the first floor next to the Kangaroo Coffee Company.

Campus Activities & Organizations

College Services

Business Office Admin. Bldg. 903-813-2525

The Business Office can assist you with questions regarding tuition & fees statements and payments, emergency and institutional loans and payments, student loan entrance and exit counseling, 1098-T/1098-E tax forms, accounts payables/receivables, and work-study payroll distribution.

Student Emergency Loans

In case of unexpected emergencies, students can borrow money from the Business Office through the Brown Memorial Loan Fund. The maximum amount that can be borrowed is \$100. The money must be paid back within 30 days from the date the loan is made. The College does not charge interest on the borrowed money, but if the loan is not fully paid by the date due, a \$5 late fee is assessed and a "HOLD" will be placed on a student's records until the loan is repaid. Students will not be allowed to receive future loans from this fund if previous loan repayments were 10 or more days late. Borrowers are allowed to receive two loans during each of the regular semesters, only one loan during January Term, and one during the Summer Term. A valid College ID card must be presented at the time of the loan and a student's financial record must be clear of any "HOLDS."

Online Payments

When a student initiates an on-line payment (via e-check or credit card) he/she is directed to a secure 3rd party payment processor. Austin College receives this information and updates the student's account within 12 – 48 hours of the payment. The student's account will NOT reflect the payment until the notification process has occurred and the student's account is updated. Please do not be alarmed if a WebHopper account still shows a balance due for the first 12 – 48 hours after making a payment.

For example, if a payment is processed by midnight on a weekday Austin College will receive notification of the payment the following day. If a payment is made over the weekend, Austin College will receive notification of the payment the next business day (Monday unless there is a federal holiday).

It is important to make sure a confirmation number is received for your payment when it is processed. If you do not see the payment applied to a student's account within 48 hours, please call the Business Office at 903-813-2448 at which time they can confirm the payment was completed.

Check Cashing

Students may cash a check at the Business Office Cashier Window for up to \$200 by showing a valid AC ID card. A fee of \$15 is assessed for any checks returned unpaid by the bank and a "HOLD" will be placed on the student's records until the returned check is paid. Check cashing privileges will be revoked if more than one check is returned by the bank. Check cashing hours are 9 am - 3 pm Monday through Friday.

International letters and printed matter may be mailed at the Campus Post Office if they weigh less than thirteen ounces (13 ozs.), but packages weighing thirteen ounces (13 ozs.) or more require custom forms and must be mailed at a U.S. Post Office such as the Sherman Post Office. Although the Campus

The Campus Post Office also ships and receives Federal Express or UPS packages up to fifty (50) pounds. Packages weighing more than fifty (50) pounds should be taken to the appropriate shipper terminal. The Campus Post Office is not permitted to insure shipments, therefore, if an item requires insurance, it must be taken directly to the U.S. Post Office, Federal Express or UPS office.

Mailboxes

All Austin College students are assigned a mailbox and issued a combination for their mailboxes at the time of registration. Mail is delivered daily and students are strongly encouraged to check their boxes each day. Austin College uses the Austin College E-mail for official communication with students (including course registration materials, etc.). In order to assure prompt delivery of your mail, use the following address format for your incoming correspondence and packages:

Your Name

Sherman, TX 75090-4400

Please do not use nicknames on your correspondence or packages.

The Campus Post Office only recognizes the name that you registered with at the beginning of the semester. Failure to use the format above or using nicknames can result in up to a forty-eight (48) hour delay of receiving your package.

Packages shipped to correspond with the beginning of a new semester should be shipped to arrive approximately two weeks prior to the beginning of that semester. **Please make sure each package does not weigh over 50 pounds.**

College Services

Alcoholic beverages or any illegal items prohibited by state law will not knowingly be received or shipped from the Campus Post Office.

The Campus Mail Center does not accept cash to be delivered to anyone on campus. If you need to pay someone cash please do so in person. The Mail Center will not be responsible for any money lost or stolen if it was sent through the Mail Center.

Incoming Packages

When a student receives a package, a notice will be placed in a student's mailbox. The student must present this notice at the window before picking up the package. Students will have a total of twenty- one (21) days to pick up their packages. After the first ten (10) days, a second notice through campus mail and an e-mail will be sent advising the student the package will be returned to sender on the 21st day if it has not been picked up.

On-Campus Communication

- No communication will be accepted on paper less than 3" x 5".
- Mailings of ten (10) or more pieces should be in numerical order by mailbox numbers.
- The College discourages the use of mass mailings, which are defined as mailings that are sent to more than ten (10) individuals. Exceptions to this guideline can be granted by the Dean of Students (for student mailings), the Vice President for Academic Affairs (for faculty mailings), and the Office of Human Resources (for staff mailings).
- Only chartered organizations are allowed to place mass mailings in campus mailboxes. These communications must be identified by the name of the organization and still require approval from the Student Life Office. These mailings should be presented to a Campus Post Office employee and be in numerical box order.
- Anyone with permission to distribute questionnaires which require an answer to be returned through campus mail should alert the Campus Post Office so a separate box can be provided.
- Student Organizations using campus mailings smaller than stated sizes should refer to the Student Organization Handbook for additional information.

Information & Technology *Jackson Technology Center, 903-813-2063*

The mission of Information Technology is to serve students, staff, and faculty in the effective use of computing and information resources. IT supports the development, acquisition, and operation of institutional networking services, information systems, data administration, and information technology infrastructure

The Jackson Technology Center serves as a resource for campus-wide technology issues including those of students, with exception to personally owned hard failures or damage. The JTC is home to the department of Information Technology. Our Help Desk with Technology Support, Infrastructure, Administrative Computing, and Web Services all reside in this building. The first floor of the building contains our Help Desk and has work spaces geared to exploring new technology. Workstations are equipped with specialty software geared toward individual and small group learning.

Responsible Use of Computing *Resources*

As a member of the Austin College community, you have access to computer facilities and networks on campus as long as you use these facilities in a responsible manner. The Computer Lab Policies, the AC Network Policies and the Student Email Policies present guidelines for responsible use of Austin College computer facilities and networks. These policies are published within the MyAC student portal. Violations of these policies will be dealt with in the same manner as violations of other college policies and may result in disciplinary review. For more information, contact Information Technology (IT).

Help Desk & Support Staff *helpdesk@austincollege.edu 903-813-2063*

Austin College staffs a centralized Help Desk to provide technical support to the campus community. As part of the Help Desk staff, the Manager of Technology Support manages a group of students called Student Technical Support Specialist. These technicians are students, knowledgeable in campus technology, that are hired to assist our Help Desk in resolving student technology issues.

The IT Help Desk provides assistance to students in gaining and maintaining access to college resources, registering your personal devices for use on the network, and addressing questions about college systems. The Help Desk cannot repair your personal devices, but may be able to provide some limited advice and definitely can refer you to local repair services.

To reach a Help Desk support specialist:

- Call 903-813-2063 between 8:30 am and 5:00 pm Monday through Friday. Except in periods of peak demand, a live person will answer and immediately begin to address your question or issue. During peak demand, you may need to leave a voicemail, which will automatically create a ticket with your message attached.
- Send an email to helpdesk@austincollege.edu from your AC email address. Emails sent from non-Austin College email addresses will not be received. Please add a detailed description of your issue or question. This will be added to our ticketing system and answered in order it was received.
- Visit the Help Desk team in the IT offices located in the Eastern portion of Jackson Technology Center during normal business hours. We are directly across the yard from Abell Library.

Anytime, day or night, you can find more information via your student portal at MyAC.austincollege.edu. Here you will find useful information that can help answer more frequently asked questions and technology policies, our FAQ section. Additionally, under your MyAC site you have access to the Self-Service Password Reset tool, email, Moodle, WebHopper for course registration, and other self-service tools. MyAC is your one-stop for digital access to campus tools and information.

Academic Policies & Procedures Registration

A student becomes a member of a class only by following the proper procedures in registering or adding the course after the initial registration period is completed. The instructor receives the student's name from the Registrar and in no other way. Any course for which a student registers will be recorded as attempted on the student's transcript unless the student drops the course through the proper procedure. Students are expected to attend and participate in each course for which they have registered until they have withdrawn from the course or have been withdrawn by the instructor.

Continuing students may register for no more than 4.75 credits during November and April registration periods. They may not add a fifth full credit course until the day after classes commence and all entering freshmen and transfer students have registered. All regular students

Academic Support Services

who are enrolled during a term are required to register for the next term during the period specified for this purpose in the academic calendar. All requirements of registration are completed at this time with the exception of financial arrangements, which are made in the Business Office at a specified time thereafter. Students are required to have their mentor's approval for all registrations and changes in registration.

Registration is for the current term only. In the event that a student is not qualified to attend the next term, the Registrar will issue notification as soon as possible. Students may not register after the first week of classes. A special \$20 fee may be charged for late Jan Term registration.

Course Credit & Student Load

The course is the unit of credit occupying approximately one-fourth of the student's study time during a 14-week term and all of one's study time in the January term. During the 14-week term, as a general guideline, the college expects from its students a minimum commitment of nine to 10 hours of engagement a week per credit unit, to include class time, preparation and reflection. Unless otherwise indicated, each course listing constitutes one course credit unit. Fractional courses are so indicated. Only those courses listed as repeatable may be taken again for additional credit. During each long term (fall and spring), the typical course credit load for undergraduate students enrolled full-time is three or four courses. Credits presented from other institutions will be converted to course credit units at the rate of four semester hours equal to one course credit unit.

Academic Probations & Suspension

Probation Review: Students' academic records are reviewed at the end of each fall and spring term, and an academic standing is assessed. A cumulative grade point average of 2.00 is the minimum standard for graduation. Only Austin College grades are included in this calculation. A student whose cumulative grade point average falls below the thresholds listed below will automatically be placed on academic probation through the following 14-week term. At the end of the probationary term the following action may be taken:

If the student's cumulative grade point average is above the thresholds listed below, the student will be removed from academic probation.

If the student's cumulative grade point average is below the thresholds listed below but the student earns a term grade point average of 2.25 or higher and completes a full course load (3 course credits) during the probationary period, the student's academic probation will be extended through the following 14-week term.

If the student's cumulative grade point average is below thresholds listed below and the student's probationary term grade point average is less than 2.25, the student may be suspended from the college.

Academic Probation Thresholds for First-Year Students:

	Semester 1	Semester 2	Semester 3	Remainder of attendance
Cumulative GPA	1.5	1.7	1.8	2.0

A notation of probationary status (i.e., academic standing) is placed on the transcript of any student on academic probation.

Probation is intended to alert the student to current difficulties and the need for corrective action. Students on academic probation maintain

Academic Support Services

the ability to enroll in courses at Austin College, but are strongly urged to consult with their mentor or the Director of Student Success and Transitions to work out a plan for earning removal from probation. Students on probation are required to concentrate primarily on academic endeavors until their level of academic achievement improves so they can be removed from probation. Those students on academic probation may not hold an office or hold committee responsibility in student organizations, but they may continue to be members of organizations and may attend social functions. Such students are not allowed to represent the college in any official capacity. When there is sufficient justification, an exception to these restrictions may be granted by the Academic Standing Committee chaired by the registrar.

Any student whose term or cumulative grade point average falls below is not considered to be making satisfactory progress and may be suspended. A notation of suspension is placed on the transcript of the student's academic record.

Readmission Following Suspension: Students who previously matriculated and attended classes at Austin College must apply for readmission to Austin College if they do not attend for at least one regular term (Fall or Spring). Students should contact the Registrar's Office to begin the process.

Former students will need to complete the Application for Readmission to Austin College and return it to the Registrar's Office. To ensure appropriate time for the readmission process, former students should plan to submit the Application for Readmission 45 days prior to the start of classes for the term of entry. International students should submit the readmission application 60 days prior to the start of the semester. See Academic Calendar for class start dates.

Applications for Readmission will not be considered for the following term after the dates given for all readmission since applications require committee review.

Former students who have taken any courses at another institution since leaving Austin College must have official transcripts sent to the Registrar's Office:

Austin College Registrar's Office
900 North Grand Ave,
Suite 6R
Sherman, TX 75090

Readmission applicants who have any holds on their student record must rectify the business related to those holds before readmission will be considered.

The Academic Standing Committee (and others in consultation) will review readmission applications and make a decision based on the student's academic performance, potential, conduct at Austin College, and any other information that informs the readmission decision.

Once the Academic Standing Committee has decided to permit future enrollment at Austin College, the Application for Readmission will be sent to the Registrar's Office to activate the student record. At that time, transfer coursework will be added to the Austin College transcript.

The student will then be advised on the following department interactions:

Academic Support Services

Business Services – a deposit of \$250 must be paid to hold a seat for the next term

- Office of Financial Aid – options for reinstatement of financial aid
- Health Services – proof of insurance must be provided or insurance purchased through AHP offered by the College, and vaccinations may be required in accordance with State Law
- Information Technology – reinstate the email address and student account
- Student Life – options and housing requirements that may apply as well as meal plan selection
- Faculty Mentor Assignment – discuss enrollment for the first term
- Mailing and Printing – a new mailbox and combination will be assigned

In the case of disciplinary suspension, the Vice President for Student Affairs and Chief Inclusion & Diversity Officer, in consultation with the Registrar will determine the acceptance of transfer credit.

Add/Drop

Students may change their initial registrations by adding or dropping courses within the time period specified in the academic calendar for each term. All changes must be approved by the student's mentor. There is a \$20 late fee for a petitioned add processed after the official add period (first week of class for the fall and spring terms).

Changing a Grade After it is Recorded

Except for the removal of an Incomplete, once a grade has been recorded with the Registrar's Office, it may be changed only to correct an error.

S/D/U Grading System

Under the S/D/U grading system, course work of a C– or better will receive an S (Satisfactory-passing) grade, will not be included in the GPA computation, and will count toward graduation requirements.

Coursework below D– will receive a U (Unsatisfactory-failing) grade, will be computed in the GPA, and will not count toward graduation requirements. Any student on the S/D/U grading system who earns a grade from D– through D+ will have the grade posted on his/her transcript and it will count in the GPA, but may be used to fulfill a graduation requirement.

Completion/Graduation Rate

In accordance with the Student Right-To-Know Act, the six-year completion rate for students who entered Austin College in 2014 on a first-time-in-college and full-time basis was 70.9%. The four-year completion rate for students who entered Austin College in 2016 on a first-time-in-college and full-time basis was 67.2%.

Incomplete Grades

Incomplete grades are given only if circumstances beyond a student's control, such as a medical emergency, prevent completion of a course. A grade of incomplete is not appropriate for a student who simply needs more time to complete course work. To obtain credit, an incomplete grade must be removed by the end of the next regular term. Unless the incomplete is removed within the time set, the grade in the course will automatically be changed to U or F, as applicable.

Major & Minor Declaration

Students may choose a major and minor at any time after initial registration but no later than the close of the sophomore year. Students who have not declared their major and minor when their current term load plus total credits earned equals 17 are not eligible to pre-register for the next long term.

Academic Support Services

Declaration of a major or minor must be filed with the Office of the Registrar in the term prior to graduation. Following graduation, students may not return to take courses for any additional majors and/or minors.

Individually designed majors or minors require a Petition to the Academic Standing Committee in addition to the Individually-Designed Program Prospectus.

Forms for declaration of majors and minors can be found in the Registrar's Office or on its site under the Forms Repository [http:// www.austincollege.edu/campus-offices/academic-affairs/registrar/forms-repository/](http://www.austincollege.edu/campus-offices/academic-affairs/registrar/forms-repository/)

Transfer Credit for Continuing Students

Continuing students may with prior approval enroll in courses at other colleges and universities and transfer credit to their Austin College degree program. Transfer Approval Forms are available in the Office of the Registrar or Forms Repository online. The following transfer credit policies apply to summer or concurrent transfer courses:

- Transfer courses must be consistent with the academic programs of Austin College and its educational mission.
- Only transfer courses with a grade of 'C' or higher will be accepted.
- Transfer courses taken in a semester hour system will be converted to course credit units at the rate of four semester hours being equal to one Austin College credit.
- Transfer courses being used to meet requirements for a major, minor or prerequisites must be approved by the appropriate department chair or program director.
- Transfer courses not previously accepted are reviewed by the appropriate department chair or program director to ensure the appropriateness of the course in an Austin College degree program.
- Transfer courses being used to meet the language competency requirement must be approved by the chair of the Classical and Modern Language department.
- Transfer courses may be used to meet no more than 1/2 of the Breadth / Discover Requirements - two Humanities courses, one Social Science course and one Science course - if the courses are taken prior to matriculation to Austin College. Current students may not utilize transfer work to complete Breadth / Discover Requirements.
- Transfer courses will not be used in calculating the cumulative grade point average or major and minor grade point average.
- Transfer courses will not be used as repeats of Austin College courses for recalculation of grade point averages.
- Overall, 17 of the 34 required course credit units to graduate must be earned at Austin College
- Eight of the last 11 course credit units in a student's degree program must be completed at Austin College.
- Students may petition for individual approval of a transfer course not normally accepted at Austin College. Students must provide a syllabus or complete course description and specify how the course is relevant to their degree program.

Participation in Commencement

Austin College holds a single graduation exercise each year in May. Candidates completing the requirements for a degree during the spring term are expected to participate in baccalaureate and commencement ceremonies. Degree recipients from the previous January are also Invited to participate.

Academic Support Services

May candidates approved by the faculty who fail to complete all necessary requirements may participate in commencement ceremonies. Candidates for summer graduation may also participate in graduation exercises. Summer candidates must be within three credits of completing all degree requirements during the summer and must present proof of registration for the remaining credits.

Repeating Courses for Credit or to Raise a Grade

1. Only courses listed in the Bulletin as repeatable for credit may be repeated for additional credit.
2. When a course is repeated to raise a grade:
 - a. All attempts and grades remain on the transcript with flags to indicate that the course has been repeated.
 - b. Only the FINAL attempt is used to determine credit earned and grade point average (unless the grade for the final attempt is a W, and historical grades of WP, WF or WU, in which case the previous attempt is used to determine credit and grade point average).
 - c. Students should notify the Registrar's Office when a course is being repeated to raise a grade to help ensure that the earlier grade is not included in grade point average calculations.
 - d. A course that may be repeated for credit may be repeated to raise a grade only if the department offering the course approves.
 - e. Courses cross-listed in the catalog (such as BA*361 and ECO*361) are treated as if they are the same course.
 - f. Only courses taken at Austin College may be used to replace a grade.

Student/Instructor Disagreements

When a student is in disagreement with an instructor over a course-related issue (e.g. a grade, attendance requirement, an assignment or similar matter) where the academic integrity of the student is not in question, the student should first discuss the issue with the instructor in an attempt to resolve the difference. If resolution proves impossible, the disagreement may be referred by either party to the appropriate department chair or academic program director who will then attempt to resolve the problem. Continuing disagreement on such academic issues may also be referred to the Divisional Dean or, in the case of a college-wide rather than a departmental course, directly to the Dean of the Faculty.

Mentors

The mentor is responsible for academic advising throughout a student's career at Austin College. The mentor is expected to be prepared to respond and assist when concerns are brought to his or her attention by the student or by other staff or faculty. When requested by the student, the mentor should be available to assist the student in official interactions with the College, such as a disciplinary hearing or a needed leave of absence. Although each student has an official mentor, most graduating seniors report having received mentoring from a variety of faculty and staff.

Normally, entering freshmen are assigned a mentor based on the student's choice of First-Year Seminar (formerly Communication/Inquiry) topic and retain the mentor throughout their time at Austin College. Transfer students are assigned mentors based on their planned major. If a student desires a change of mentor at any time during his/her college career, the student should contact the Registrar's Office. Department chairs and program directors are responsible for providing and updating academic

advising information used in mentor training and support, as well as providing more specific guidance to interested students as they declare a major or minor.

The Office of the Vice President for Student Affairs maintains the student's portfolio and coordinates its contents. Responsibility for mentor training of faculty is developed by the faculty member who is the appointed director of the First-Year Seminar course.

Withdrawing from Austin College

In order to prevent questions or ambiguities which could arise at a later date, a student wishing to voluntarily withdraw from Austin College should consult with the Director of Student Success and Transitions to complete the necessary paperwork, including a written notice of his/her intent. This notice, filed with the student's record, establishes the official date and serves as an explanation of the withdrawal. The withdrawal shall be subject to the College's stated periods for withdrawal and tuition refunds. Residential students leaving the College must make sure to properly check out of their residence hall room with their Area Coordinator.

Registrar Admin. Bldg. 903-813-2371

This office maintains the official academic records, including your permanent file, registration records and changes of registration for each term. Because the Registrar is responsible for maintaining your legal academic record, any changes to your academic record must come through this office. Also, general information concerning classes, majors and minors may be found here along with various forms to assist you with academic procedures. The staff will help you with registration, add/drop procedures, major and minor declarations, degree audits, approval of transfer work, transcripts and similar matters. International students also need to be in regular contact with the Registrar and refer to the web site resources to maintain their student visa status.

Webhopper

Webhopper is the electronic system used by students to access information they need at any time of the day or night. Students have access to academic and financial information and other miscellaneous campus information/forms. Students can use Webhopper to view their class schedule and unofficial transcripts, search course offerings, check their academic progress using the evaluation tool, register for classes (during scheduled registration periods) and request official transcripts. Using the financial information section, students can view their statement of accounts, view pay advices for student employment, and sign up for the direct deposit of student refunds. All information accessed through this means is secure and accurate. Webhopper accounts remain active for one year following a student's graduation or departure from the college. To access your Webhopper account, visit <http://hopper.austincollege.edu>

Statement of Principles Regarding Community Standards and Operation by the Austin College Board of Trustees:

This Statement of Principles is intended to communicate to the entire College community the fundamental convictions on which the life of Austin College is based. These convictions may be stated as follows:

1. Under the Charter with the State of Texas, and our Covenant Relationship with the Synod of the Sun of the Presbyterian Church (U.S.A.), the Board of Trustees has complete and ultimate responsibility for Austin College. The Board shares this responsibility with the President, and through the President with the faculty, staff, students and friends of the College. The Board strives to maintain open communication concerning these privileges and responsibilities, which are essential to the fulfillment of the College's role and mission, as well as procedures for effecting change.
2. We recognize that Austin College has committed itself to a particular role and mission, which calls for a special kind of College community and operation. Austin College seeks to prepare individuals for whole and competent lives by challenging their aspirations and talents through a rigorous educational program in the liberal arts and sciences. This educational program reflects Christian emphasis on the wholeness of life, the unity of knowledge and the dignity of the individual.
3. We recognize that life in a community requires shared values and commitments. AC is a community of persons committed to the welfare of fellow human beings.
4. We affirm an individual's right to choose his or her personal standards and attitudes while not infringing on the rights of others. We affirm our trust in and respect for all members of the College community that integrity matters are of the utmost concern. Based on these affirmations, we expect all students to act as responsible adults and citizens.

Community Commitments & Principles

In 1981, the Board of Trustees reaffirmed the college community's principles of integrity and of responsibility to shared commitments and standards. These principles are vital to the operation of the college and are integral to its educational philosophy. Central to this philosophy are the concepts of individual development and responsibility, commitment to the community and profession, and centrality of learning, faith and values. The principles provide guiding ideals from which standards of conduct are derived for each of the groups that constitute the active college community— students, faculty, administrative staff, and support staff. Although the principles are common to all, their translation into specific standards, rules, and policies depends upon the special roles and responsibilities which the members of each group assume in an academic community. Professional standards and obligations further strengthen and support the principles of the whole community, which constitute the foundation of the college's judicial structure. The standards, rules, and policies of the community's four primary constituent groups comprise the cornerstones for that structure.

Austin College acknowledges its commitment to the ideal of community membership, to individual responsibility, common goals and expectations, and the highest standards of integrity. The college has also recognized the special roles and responsibilities of its constituencies and has affirmed the specific standards and codes of conduct of the groups. These commitments and affirmations are expressed in two fundamental statements of principle.

Student Conduct

The Principle of Integrity

It is the responsibility of each individual in the College community to act with honesty and integrity in personal, social and academic relationships, and with consideration and concern for the entire College community and its members. Individuals and groups should not engage in conduct that causes harm to other individuals or to the community as a whole.

Persons who participate in the life of Austin College— as students, faculty, or staff—are expected to support the shared commitments and purposes of the college as expressed in the Charter, the Mission Statement, and the Statement of Commitment and Principles.

The Principle of Shared Commitments & Standards

Individuals also are expected to abide by the shared standards of the college community and the standards and code of conduct of their respective groups within the community. The commitments, purposes, and standards of the college and its constituent groups are central to the partnership between individual members and the institution.

These judicial policies include the “Non-Academic Code of Student Conduct,” “Student Academic Integrity Policy and Procedures,” “Student/Instructor Disagreements on Course-Related Issues,” “Judicial Guidelines and Procedures for the Faculty,” and the “Policy on Sexual Misconduct and Harassment” which apply to the entire campus. The Operational Guide also includes policies and procedures for administrative and support staff. Policies that pertain to students are also described in the Environment (the student handbook) and Outback Guide serves as a communication tool providing faculty, staff, and students with campus-wide information including campus crime statistics, affirmative action statement, sexual harassment policy, and graduation rates. These policies are also accessible on the Austin College Intranet (<http://roos.austincollege.edu>).

Academic Integrity Policy *(Operational Guide, JP6)*

The following addresses instances in which students fail to meet the high expectations of academic integrity in all course work and outlines faculty and student responsibilities regarding academic integrity. Upholding these expectations of academic work is a cooperative effort between students, faculty, and administrators. However, the responsibility to know and maintain the rules regarding academic integrity rests primarily with each student.

Responsibilities

In keeping with its educational mission, Austin College places the highest value on academic integrity and does not tolerate cheating and other forms of abuse of the academic process. The faculty and administrators of the college assume that entering students, in accepting admission to Austin College, are aware that they will submit themselves to the college’s standard of academic honesty and agree to follow the procedures by which the college observes and enforces its standard.

General Definitions

Cheating and plagiarism are the primary violations of academic integrity. Cheating is defined as, but not limited to, purposely giving or receiving assistance from another student or source on an assignment where such assistance is not permitted. Examples include, but are not limited to, using or copying another person’s work and submitting it as original, the use of “crib sheets” or prohibited electronic devices during an exam, and providing the material or mechanism for another student to cheat. Plagiarism is defined as, but not limited to, using pre-existing work without proper attribution, effectively calling the work original for the current assignment. The plagiarized work may come from a previous assignment, another person, a book or journal, or an internet source or other electronic or print media. Note, however, that with instructor permission and proper attribution, previous work may sometimes be used in a current assignment. Further, any actions which create an unfair advantage by impeding access by course members to important information, or the sharing of improperly received information, also violate academic integrity. Recognizing that specifics of violations may be differently defined in different courses, the college gives instructors the authority to determine expectations and provide

instructions for course-specific circumstances. The syllabus for each course must include an academic integrity policy statement and an indication of how it applies to the course.

Certain behaviors that interfere with the academic work of others may be considered a non-academic violation and, thus, may not be an academic integrity violation. If there be a question of whether a violation qualifies as being academic or non-academic, the course instructor should consult with the Vice President for Academic Affairs, who will in turn consult with the appropriate college staff. Cases of non-academic behavioral violations will be directed to the Vice President for Student Affairs.

General Guidelines for Student Work

Unless otherwise informed by the course instructor, students should assume that the following parameters are in effect for all course work:

- Closed book tests – On all tests, students are expected to provide work that is exclusively original, without the use of notes or other materials prepared before the test. A test is assumed to be “closed-book” and must be completed without electronic or other aids unless designated otherwise.
- Papers – When a paper includes direct or indirect quotations or an idea or information taken from a source, that source must be acknowledged. Because conventions for citing sources vary by discipline and may differ for courses within a discipline, instructors are obliged to guide students in the acceptable forms of citation for each course.
- Collection of Information – The student is expected to collect and report accurate information in a research exercise and must not fabricate or falsify the information or results.
- Exercises – The student is expected to fulfill assignments without collaboration on work submitted for a grade unless expressly instructed otherwise. Assignments that by their nature involve collaboration (e.g., group presentations) will include specific directions from the instructor.

Student Responsibility

Primary responsibility for maintaining academic integrity rests with the student. While the instructor is responsible for specifying expectations for appropriate academic behavior in unusual situations, the student should assume that the general guidelines given above apply to all course work. If students do not understand the academic integrity standards expected in a course or on a particular assignment, such as a group project or take-home test, students must seek clarification from the instructor. Students involved in a case of academic integrity violation are responsible for remaining informed of the progress of the case through the office of the VPAA.

Faculty Responsibility

The general definitions of violations of academic integrity given above should serve as a guideline for all courses. Instructors will communicate to students when and how course expectations differ from or add to the General Guidelines for Student Work. For example, special assignments, such as group projects or take-home tests, necessitate that instructors indicate acceptable performance with academic integrity. Departments may produce a handout for courses in an area to clarify standards and special assignment expectations. As stated in the Operational Guide, GM 15, every course syllabus must contain a statement on academic integrity and how the general guidelines given above apply to the particulars of the course. Instructors may specify penalties for academic integrity violations, ranging from partial credit to failure on a particular assignment to failure in a course. Unless otherwise stated in the course syllabus, the course penalty for a violation of academic integrity will apply only to a particular assignment. In all cases, course grading is the sole responsibility of the course instructor, but the college, through the VPAA and Chair of the Academic Integrity Council, is not restricted from assessing additional, more severe consequences not affecting the course grade, such as probation or suspension, for any violation, including the first.

FYS faculty will discuss the college's academic integrity policy and process with students in the course. All new students, including transfer students, will attend an introductory information session covering academic integrity at the beginning of each fall semester.

Procedures and Penalties

Any instructor who suspects a violation of academic integrity must notify the suspected violator(s) in writing as soon as the allegation is clearly defined. The notice should remind the student(s) of the right to consult with mentors or other college community members as the student feels is necessary. Instructors should maintain student confidentiality throughout the process. If another person brings the possible violation to the instructor's attention, the instructor should also inform the reporting person that the case is being pursued while stressing the need for strict confidentiality of the allegation. The instructor must then meet with the student(s) involved to discuss the allegation. N.B. Both a written notification to the student(s) and a personal interview with the student(s) are necessary before the instructor refers the case to the VPAA. In exceptional cases when a personal interview becomes impossible (e.g., if a graduating senior becomes unavailable at the end of the final spring semester), all materials relating to the allegation, including the written notification by the instructor, will be submitted to the VPAA, who will work with the Chair of the Council to resolve the case with the instructor and student(s) involved.

If the suspicion of a violation be explained to the instructor's satisfaction, no further action is required. If an instructor determines that a violation of academic integrity has occurred, the instructor may assess an in-course penalty, such as partial or complete failure on the assignment or failure in the course, following the academic integrity statement included in the course syllabus. The instructor must then provide the Vice President for Academic Affairs a written notification of the violation and penalty along with all supporting documentation. The VPAA and Chair of the Academic Integrity Council will then meet with the student(s) involved to discuss the details of the violation, emphasizing methods to avoid future violations, and determine if any additional penalty should be assessed. If any student chooses to appeal the charges, the case will be heard by the Academic Integrity Council. During the appeal process, any in-course penalty assessed by the instructor will not go into effect until the Council has convened and reached a finding. If the Council finds that a violation has occurred, the in-course penalty will be upheld; if the Council finds that no violation has occurred, no penalty based on the allegation will be assessed. However, the instructor will still be solely responsible for the grade on the assignment and in the course. In the case of a second and all subsequent violations, the VPAA must refer the case(s) to the Academic Integrity Council. If the Council finds that additional violations have occurred, increasingly severe penalties may be assigned, ranging from probation for one or two long semesters, to suspension for one or two long semesters, to expulsion. N.B. Withdrawing from a course during the process of an academic integrity violation investigation will not automatically dismiss the case.

Following the college's guidelines regarding probation, any student on probation may not represent the college in any official capacity during the probationary period. The student may not hold an elected or appointed office in any club or organization, though membership is not prohibited. Practice, performance, participation and travel with athletic teams, clubs, organizations, and music ensembles are prohibited during the probationary period. Students should also note that an academic integrity violation of any kind may affect eligibility for membership in some honor organizations, participation in honors programs, and nominations for fellowships and awards.

General Practices of the Academic Integrity Council

1. All Academic Integrity Council hearings will normally be conducted within 10 calendar days of notifying involved parties.
2. The office of the VPAA will notify all Council members (who should reply to allow assurance of a quorum), the accused student, the student's mentor, the instructor involved, and any known witnesses needed for the hearing of the arranged date, time, and place of the hearing. However, in cases involving a possible second or additional violation, information regarding prior violation(s) will be shared only when the Council upholds the current violation and then convenes in executive session to discuss the consequences of their findings, which may include consideration of prior violations.

3. Students may seek the advice of a mentor or other member of the college community and, if desired, invite that person to be present at the hearing without privilege of the floor. The Chair of the Academic Integrity Council will be available to serve in an advisory capacity for any person involved in an academic integrity case, including appeals. Legal counsel is prohibited.
4. The usual constituency of the Academic Integrity Council is four faculty, four students, and the Chair (who will vote only in the case of a tie). The necessary quorum for the Council to convene will consist of two faculty members, two student members, and the Chair. Faculty members are assigned by the VPAA, student members are assigned to serve one-year terms in a process overseen by the Dean of Students.
5. Any Council member with a conflict of interest must be excused from hearing a case. The accused student may raise an objection to the VPAA regarding the Council's membership prior to a hearing. The VPAA will oversee any needed adjustments to the Council's membership.
6. All hearings by the Council will be electronically recorded and subsequently reported in writing by the Chair of the Academic Integrity Council to the student and the VPAA, who in turn will notify the course instructor and the student's mentor. The recording will be maintained in the student's confidential academic file by the VPAA.
7. Council-assessed penalties may be probation for one or two long semesters, suspension for one or two long semesters, or expulsion from the college. A finding requires a simple majority vote by a quorum of the Academic Integrity Council. In all instances, a record of the case is kept in the student's confidential files held by the VPAA and Chair of the Academic Integrity Council for as long as the student remains at Austin College.
8. Suspension may be, and expulsion will be, noted on the student's official record.
9. N.B. While any case or appeal is before the Academic Integrity Council, the only contact permitted with the Council is through the Chair. No individual involved in the case or appeal may contact any Council member or the course instructor regarding the case.

The Appeals Process **First Appeal**

A student who chooses to appeal the findings determined by an instructor must present the appeal in writing to the VPAA and the Academic Integrity Council, which serves as the hearing body for the first appeal. The Council will review all available pertinent information and, through coordination with the VPAA, schedule a hearing date, time and place, following the procedures outlined above. The hearing will be electronically recorded and subsequently reported in writing by the Chair of the Academic Integrity Council to the student and the VPAA, who in turn will notify the course instructor and the student's mentor.

If the offense occurs during a semester, the student is expected to continue all activities and assignments related to the course during the appeals process. While continuation in the course during the appeal may cause some difficulty for both student and instructor, a means by which the student can continue to be evaluated in the course is necessary. N.B. While any case or appeal is before the Academic Integrity Council, the only contact permitted with the Council is through the Chair. No individual involved in the case or appeal may contact any Council member or the course instructor regarding the case.

Second and Final Appeal

1. Students or instructors choosing to request a second and final appeal of a finding by the Academic Integrity Council must present the request for an appeal in writing to the VPAA within five days of the Council's findings.
2. Appeals may challenge the finding, the penalty, or the process. Upon reading the appeal document, the VPAA has the responsibility either to accept or deny the appeal. If the VPAA denies the appeal, the original finding will stand.

3. If the VPAA considers the appeal, the VPAA will make use of the appeal document as well as all other materials concerning the case, including the electronic recording of the Council's initial hearing.
4. If the VPAA be involved as mentor or instructor in the case, the VPAA will delegate to an academic Dean of Humanities, Science, or Social Science the responsibility to consider the final appeal. In all cases the findings of the second appeal will be delivered by the VPAA to the student, the student's mentor, the course instructor, and the Chair of the Academic Integrity Council.
5. The VPAA is responsible for updating a student's confidential academic file following action on an appeal by the Academic Integrity Council, the VPAA, or the Dean.
6. The Chair of the Academic Integrity Council will be available to serve in an advisory capacity regarding the process for any person involved in an academic integrity case, including any appeals.

Roles of the Vice President for Academic Affairs

1. The VPAA receives reports from instructors regarding violations of academic integrity.
2. The VPAA maintains confidential records of reported violations and on-going processes of alleged violations.
3. The VPAA distributes the notice of the instructor's report of a violation to the accused student, the Chair of the Academic Integrity Council, the student's mentor, and the student's confidential file held by the VPAA. The Chair of the Academic Integrity Council will submit to the VPAA and student involved summaries of any interview with the student as well as findings of the Academic Integrity Council.
4. The VPAA also maintains records of past violations of students in confidential files. In the event of a second and all subsequent violations, the VPAA refers the case to the Academic Integrity Council for the assignment of any additional consequences. However, in cases involving a possible second or additional violation, information regarding the prior violation(s) will be shared only when the Council upholds the current violation and then convenes in executive session to discuss the consequences of their findings, which may include consideration of prior violations. The VPAA is responsible for updating a student's confidential file when a decision is reached by the Academic Integrity Council or through an appeals process. The VPAA works closely with the Chair of the Academic Integrity Council to conduct interviews and hearings in a timely fashion, and provides clerical support for the notification process and record keeping involved.
5. The VPAA shall monitor patterns of violations and shall circulate to the faculty and the Student Assembly an annual summary report regarding violations of academic integrity.

Roles of the Chair of the Academic Integrity Council

1. The Chair of the Academic Integrity Council will be available to serve in an advisory capacity regarding the process for any person involved in an academic integrity case, including any appeals.
2. The Chair will prepare written summaries of all interviews and Council findings for the VPAA to distribute to the student, the instructor, the student's mentor, and the student's confidential academic file.
3. The Chair will ensure that all Council hearings are electronically recorded and that the recording is delivered to the VPAA for placement with the student's confidential academic file. The recording will be available for review during an appeal process.
4. The Chair will serve as the contact person for academic integrity discussions with the Student Assembly.

*Academic Integrity Council:
Composition and
Responsibilities*

1. The Academic Integrity Council is composed of four faculty members, four student members, and the Chair, who will vote only in the case of a tie.
2. The four faculty members are appointed by the VPAA to serve four-year staggered terms, as needed. Student members are appointed to serve one-year terms in a process overseen by the Dean of Students.
3. The quorum required for any Council action will consist of two faculty members, two student members, and the Chair. The VPAA will oversee any needed adjustments to the Council's membership due to conflicts of interest or scheduling.
4. The Council's duties may continue during academic breaks and January/ May terms, with accommodations as needed to ensure students and instructors involved are available.

Penalty Guidelines

The primary objective of the academic integrity process is the education of students regarding the importance of honest academic work as well as assigning consequences for violating the trust of Austin College's educational mission. Within the context of responsibilities discussed above, the following ranges of disciplinary actions apply:

<u>Instructor-Assessed Penalties</u>	<u>Council-Assessed Penalties</u>
Report of violation to VPAA, leading to student interview with VPAA and Chair of the Academic Integrity Council.	Probation Suspension (JP 5) Expulsion (JP 5)
In-course penalty, such as failure on the assignment in question or failure in the course, as specified in the course syllabus.	

In all cases, course grading is the sole responsibility of the course instructor, but the college, through the VPAA and Chair of the Academic Integrity Council, is not restricted from assessing additional, more severe consequences not affecting the course grade, such as probation or suspension, for any violation, including the first. In all instances, a record of academic integrity violations is kept in the student's confidential file by the VPAA.

*Summary of Procedures and
Penalties*

1. Course instructor suspects a violation of academic integrity
2. Instructor gathers evidence of suspected violation and discusses the suspicion with the student(s) involved. If the suspicion be confirmed, the instructor notifies the student(s) in writing of the violation. If the suspicion be explained to the instructor's satisfaction, no further action is required.
3. The instructor assesses an in-course penalty for the violation, ranging from partial to complete failure on the assignment to failure in the course, following the course syllabus. The instructor also informs the VPAA of the violation and the assessed in-course penalty.
4. The VPAA and Chair of the Academic Integrity Council schedule an interview with the student(s) involved in the violation to discuss the details of the violation and how future violations can be avoided. Depending on the specifics of the violation, additional penalties may be assessed. Students should also note that an academic integrity violation of any kind may affect eligibility for membership in some honor organizations, participation in honors programs, and nominations for fellowships and awards.

5. If a student decides to appeal the instructor's finding that a violation has occurred, the case will be heard by the Academic Integrity Council. If the Council finds that no violation has occurred, the in-course penalty will be voided; if the Council upholds the violation, the in-course penalty will be upheld. The outcome of the hearing will be recorded and reported in writing by the Chair of the Academic Integrity Council to the student and the VPAA, who in turn will notify the course instructor and student's mentor. Either the student or the instructor may make a final written appeal of the Council's findings to the VPAA within five days of the Council's finding.
6. All second and subsequent violations of academic integrity by a student are referred by the VPAA to the Academic Integrity Council, which normally hears cases within 10 days of the violation notification. The outcome of the hearing will be recorded and reported in writing by the Chair of the Academic Integrity Council to the student and the VPAA, who in turn will notify the course instructor and the student's mentor. As noted above, either the student or the instructor may make a second (final) written appeal of the Council's finding to the VPAA within five days of the Council's finding.
7. The Academic Integrity Council will review all information, written and oral, related to the referred case, with a simple majority vote determining the validity of the violation.
8. Council-assessed penalties for violations include probation for one or two long semesters, suspension for one or two long semesters, or expulsion from the college. Records of all academic integrity violations are kept by the VPAA and the Chair of the Academic Integrity Council for as long as the student remains at Austin College. Suspension may be, and expulsion will be, noted in the student's official records.

Learning Environment Policy

The Mission Statement of Austin College affirms the importance of "a climate of civility and respect that encourages free inquiry and the open expression of ideas."

Refusing to comply with guidelines related to COVID-19 would be considered disruptive behavior. Refusing to comply with directives related to health and safety guidelines issued by local, state and/or federal authorities will also be considered disruptive behavior. Non-compliance will result in an initial warning. If non-compliance continues, disciplinary action up to including removal from an academic class/setting, on-campus residence, and/or the campus as a whole may result.

Class members (including the instructor) are expected to treat each other with mutual respect in both word and deed. The learning environment policy includes the expectation that all class members arrive to class promptly, silence cell phones, focus their attention on class activities, and avoid non-essential exit from and re-entry into the classroom. Distracting, disruptive, or disrespectful behavior is specifically forbidden.

Instructors may drop or withdraw students from classes for violating the learning environment policy. Poor attendance, poor participation, misconduct, or disruptive or endangering behavior that interferes with faculty members' obligations to set and to meet academic and behavioral standards in their courses are examples of behavior for which a drop or withdrawal are allowed. In case of serious infractions of the learning environment policy, instructors are encouraged to file an incident report with the divisional dean. The divisional deans will review the incident report and take appropriate action, which may include dropping the student from the class, or, in extreme cases, suspension or expulsion from the college. Due process will be followed, and students may appeal such decisions by contacting the VPAA. Instructors may distribute syllabi that include additional set and to meet academic and behavioral standards in their courses are examples of behavior for which a drop or withdrawal are allowed.

In case of serious infractions of the learning environment policy, instructors are encouraged to file an incident report with the divisional dean. The divisional deans will review the incident report and take appropriate action, which may include dropping the student from the class, or, in extreme cases, suspension or expulsion from the college. Due process will be followed, and students may appeal such decisions by contacting the VPAA. Instructors may distribute syllabi that include additional statements of policy regarding attendance, participation and dropping/withdrawing students from class. The content of speech or written work protected by academic freedom shall not be considered disruption or misconduct.

Non-Academic Code of Student Conduct

It is important for students to understand the policy-making authority of the Board of Trustees of Austin College. As designed by the board, the President of the College has delegated to the Dean of Students the responsibility for coordination of the non-academic violations of college policy. Non-academic violations of college policy include those, which damage the personal and/or community integrity of the College and/or the individual.

The Non-Academic Code of Student Conduct (hereafter referred to as the NACSC) and the procedures herein delineated are dedicated to an educational principle of discipline, which is committed to correcting inappropriate behavior or actions at the lowest level possible within the institution. This requires the commitment of students, and with this commitment, the student should appropriately acknowledge violations of college rules and regulations and other actions that affect personal and community integrity of individuals and groups.

Introduction

- The NACSC is applicable to all students enrolled in or accepted for an academic program, regardless of credits carried, unless otherwise specified.
- The College has established these expectations regarding non-academic standards of conduct in order to protect its educational purpose, provide for the orderly conduct of activities and safeguard the interests of the College community.
- Students who violate these or other duly established regulations become subject to disciplinary action and the procedures herein described.
- Students may be accountable to both civil authorities and the College for acts, which constitute violations of law and the NACSC. Disciplinary action at the College will normally proceed if criminal proceedings are pending and will not be subject to challenge on the ground that criminal charges involving the same incident have been dismissed or reduced.
- A student's mental state or use of drugs or alcoholic beverages shall not limit the responsibility of the student for the consequences of his or her actions the College reserves the right to amend any provision herein at any time.

These regulations are set forth in writing in order to give students general notice of prohibited conduct. The regulations should be read broadly and are not designed to define misconduct in precise or exhaustive terms. Chartered groups are responsible for these rules as well as those set forth by the College

*General Procedures for the
Resolution of Allegations of
Violations of the NACSC*

1. At the request of any student, faculty, or staff member or independently, the College may file an allegation of a policy violation in the Student Life Office, or with the appropriate official against the accused student(s). Such charges may be filed no later than 45 days after discovery of the alleged violation and the identity of the student(s) involved unless unusual or complex circumstances exist, as determined by the College. In cases of sexual misconduct, to include all definitions in the Austin College Sexual Misconduct Policy, charges/ complaints may be filed at any time while the respondent is enrolled at Austin College. The College encourages students to submit the charge/complaint as early as is possible. The longer a student waits, the more difficult it will be for the College to conduct its investigation. If a student has withdrawn or withdraws after the filing of such charges, either (1) a "registration hold" will be placed on the student's academic record and the student notified that disciplinary action may be initiated upon the student's application for readmission, or (2) the College may proceed to resolve the disciplinary action, even if the student is absent from the hearing.
2. Upon the filing of charges, and prior to the hearing, the student may seek an Administrative Agreement with the appropriate college official, at which the nature of the responsibility for an alleged offense is discussed. The charged student or students shall have at least 48 hours to schedule the pre-hearing. In cases where students choose not to seek an Administrative Agreement, the case will proceed to a hearing before the SCC in the case of major violations or the PJB or GRB in the case of minor violations. On occasions, a student may select to participate in a sanction-only hearing rather than a standard hearing. The Dean of Students or his/her designee conducting the hearing may withdraw any charge deemed to be without basis.

3. Any student charged with violating the NACSC may request permission from the chair of the hearing board for a delay in hearing. In a case where criminal charges are pending against a charged student, upon this student's request, at least a 7-day summary delay may be granted to secure the advice of legal counsel, except in the case of summary suspension. All delays shall be granted at the discretion of the hearing board or Dean of Students.
4. In the event of a hearing, the charged student shall be notified through campus mail at least five calendar days prior to the date of the hearing (or one day for a hearing held to review an alleged violation of summary suspension). Such notice shall be in writing and include the following:
 - A. The specific charge(s) citing the appropriate college policies or regulation(s) allegedly violated and the act(s) alleged to have been committed.
 - B. A description of the alleged acts, including the time and place of the alleged act(s) (insofar as may reasonably be known) and a summary of the information upon which the charges are based.
 - C. The time and place of the proposed hearing.
 - D. General guidelines established for the hearing.
5. The student may request the assistance of an advisor from the College community in the hearing but must represent him/herself. Such an advisor shall not be a legal counsel. When appropriate, the student may speak through an interpreter.
6. When there is a pending criminal case against the student arising out of the same facts as the charge(s), the student may be accompanied by legal counsel, who shall be present for advising the student and shall not participate in the hearing.
7. **General Hearing Guidelines:** The hearing shall be closed to all except the hearing board, complainant or situational representative, accused, and their advisors (who must be members of the Austin College community and may not be certified or licensed to serve as legal counsel).

All hearing board members will be given the opportunity to read the complaint form before the hearing convenes. The chair will direct all present at the hearing to state their names and relationship to the case, excuse unapproved parties, explain the format and procedures of the hearing, and answer any questions concerning the complaint and/or the procedures to be followed during the hearing.

When the complainant, accused, a member of the hearing board or the chair charges that another member may not be impartial or able to judge the facts of the case objectively, the charged member may make a statement in his/her behalf and must then leave the room with all other parties except the remaining members of the hearing board who will discuss and vote on the member's impartiality. If a majority of the members judges the charged member not to be impartial, that person shall not be present during any deliberations concerning the case in question.

The chair will have the complainant state the nature of the complaint. The chair will ask for a plea from the accused. If the accused fails to attend the hearing of which he/she has been formally notified, the hearing board will hear the case in his/her absence using any available information.

If the plea is “in violation”

- A. The accused and the witness(s) will be given an opportunity to make statements.
- B. Hearing board members will be given an opportunity to ask questions.

If the plea is “not in violation”

- A. After the plea, the witness(s) will be asked to leave the room. The complainant and accused will remain.
- B. The complainant and accused may give opening statements. The chair may specify a time limit on statements.
- C. The hearing board will question the complainant and his/her witness(s) individually. The hearing is not a court of law and need not, nor should it, observe the rules of evidence observed by the courts, and may exclude unduly repetitious or irrelevant evidence. Witnesses will appear as called by the hearing board, testify and leave. The chair may specify a time limit on the witnesses' testimony.
- D. The hearing board will question the accused and his/her witness(s) individually. Witnesses will appear as called by the hearing board, testify and leave. The chair may specify a time limit on the witnesses' testimony.
- E. The accused and complainant will be given the opportunity to question one another.

The complainant and accused will be given the opportunity to make summary statements. The accused, complainant and any witnesses will be asked to leave the room. After deliberation, the hearing board will render a finding of “in violation” or “not in violation” by a simple majority vote. The chair will vote in case of a tie.

If the accused is found “in violation,” the chair will inform the hearing board of any relevant disciplinary history in the disciplinary file of the accused. Such information will be considered as the hearing board determines an appropriate recommendation for the case.

The accused will be called back into the room and the chair will state the hearing board's recommended finding of “in violation” or “not in violation.” Occasionally, deliberations by the Council will not permit such a call back and the accused will hear directly from the Dean of Students or his/her designee. The chair will then outline the procedures for receiving a letter regarding the finding and sanctions (if appropriate), appeals process and answer any questions. The complainant will be notified (generally) of action taken.

- 8. Any person, including the accused, who disrupts a hearing or who fails to adhere to the rulings of the presiding officer or who impedes the investigation, charge or proceedings in any way may be excluded from the proceedings and may be subject to discipline for this conduct.
- 9. Any recommendation of a hearing board shall be based on a reasonable interpretation of the evidence and testimony at the hearing. Supporting evidence and records must be presented at the hearing.
- 10. The hearing board shall determine if in violation or not in violation, recommend sanction(s) as appropriate, and provide support, which shall be included in the record along with a written summary of testimony. For SCC: The entire record shall be forwarded to the Vice President for Student Affairs. Within the five working days after receiving the hearing board's determination, the Vice President for Student Affairs or his/her designee shall render the written decision. For PJB/GRB: The entire record shall be forwarded to the Dean of Students or his/her designee.
- 11. The college official may request the hearing board to clarify its determination. Upon receipt of said request, the hearing board may re-convene as necessary to address the questions raised. Any further outcome shall be based

based only on the record of the hearing board as may be clarified.

Appeal Procedures

1. There are three bases for appeal: a) the accused believes the sanction awarded to be excessive, b) substantial procedural failures and/or c) the availability of new evidence. Students who fail to participate in the hearing process forfeit the right to appeal.
2. Any appeal of these hearing procedures is forwarded to the Dean of Students or his/her designee for review by PJB/GRB, or the Vice President for Student Affairs and Chief Inclusion & Diversity Officer or his/her designee for review by SCC. Appeal decisions will be based on the summary of the hearing and other supporting documents presented in the hearing. Appeals must be in writing and received within five calendar days of sending the official sanctions to the student.
3. Final appeal based solely on procedural grounds can be made to the president of the College, who may choose to review the case and make a determination as appropriate.
4. After an appeal to the appropriate college official, and after a decision is rendered, the case shall be considered closed.
5. Any student found in violation of the Sexual Misconduct and Harassment Policy, physical violence, and/or bullying is expected to leave campus within twenty-four hours of official notification of the sanction or outcome of the hearing, even if the student plans to file an appeal. Should the student seek to appeal the action, he/she will need to arrange for their access to campus directly with the Vice President for Student Affairs and Chief Inclusion & Diversity Officer or his/her designee.

Sanctions

In recommending and determining a sanction, the PJB, SCC and the Dean of Students or his/her designee may consider the student's present demeanor and past disciplinary record, the nature of the offense, the severity of any damage, injury or resulting harm and other relevant factors. If the allegations against the student are sustained, the responsible college official or judiciary body, may impose one or more of the following sanctions:

- **Expulsion**—Permanent separation of the student from the College system. Notification will appear on the student's transcript. The student will also be barred from the College premises and related activities. Approval of expulsion is required by the Vice President for Student Affairs.
- **Suspension**—Separation of the student from the College system for a specified period of time, but not less than the remainder of the semester. The student shall not participate in any College sponsored activity and may be barred from College premises. Suspension may be deferred when significant mitigating factors are present. However, if a student receives another disciplinary sanction of at least probation during this period for a further violation of the NACSC, the suspension shall take effect as of the date of the later sanction.
- **Summary Suspension**—The Vice President for Student Affairs or his/her designee has the authority to invoke a summary suspension until completion of the hearing if there appears to be a danger of the student causing harm to him/herself or others, or if the person poses a threat to the well-being of the College community or property.
- **Automatic Room and Board billing/charges**—The Vice President for Student Affairs or his/her designee shall initiate automatic billing for room and board charges for any student who does not comply with the Austin College residency policy.
- **College Housing Removal**—Removal of the student from College housing for a specific period. Any student receiving notification to vacate College housing facilities is entitled to two calendar days in which to do so. Removal from College housing may be deferred when significant mitigating factors are present, provided, however, that if a student receives a disciplinary sanction of at least probation during this period for a further violation of the NACSC, the removal from housing shall take effect as of the date of the later sanction.

- **Disciplinary Probation**—A specified period during which any further violation of the NACSC will receive careful scrutiny and may subject the student to suspension or expulsion. Those on probation may not represent the College in any official capacity which includes wearing any type of uniform, or holding office or position in an organization or team. Essentially, there should be no question that the student is under disciplinary probation and not actively representing the organization or team. Thus the student should not be performing any functions that place them in a non-credit bearing leadership role or other similar role, task, function, or activity representing the organization, team, program, or Austin College.
- **College Housing Probation**—A specified period of time during which any further violation of the NACSC, especially as it pertains to the maintenance of the College residence community, will receive careful scrutiny and may subject the student to removal from College housing.
- **Community Service**—the student is assigned a number of hours to be completed by a deadline date. Failure to complete the hours on time will result in the following: immediate placement on disciplinary probation until sanction is complete and have a “hold” placed upon their Student Records until sanction is complete.
- **Written Disciplinary Reprimand**—the student is warned that further misconduct may result in more severe disciplinary action.
- **Fines**—Fines may be assessed for violations of living plans or college policies which incorporate a fee structure.
- **Restitution**—the student is required to make payment to the College or another for loss or damage to property.
- **Reflection Paper**—The student is required to write a two page paper over the violation that occurred
- **Other Sanctions**—Other sanctions may be imposed instead of or in addition to those specified above, such as educational sanctions, denial of participation in College activities, denial or restriction of privileges and solutions worked out through arbitration and/or mediation, etc.

Alcohol Policy

Austin College is an institution of higher learning, which strives to provide an environment conducive to academic achievement and the development of its students. As members of this academic community, students are accountable for their behavior and expected to be familiar with their personal responsibilities. Members of the Austin College community need to be aware that the legal drinking age in Texas is 21 years. A person must be 21 years of age, or older, to purchase, possess or transport alcohol. Austin College functions in direct compliance with the laws of the State of Texas, Grayson County, and the City of Sherman. Members of the College community are required to uphold the local city ordinance prohibiting open containers of alcohol in public areas. Further, specific regulations that govern the use, possession and sale of alcoholic beverages at Austin College can be found in this policy.

Students or groups who choose to consume alcoholic beverages are expected to handle alcohol responsibly and conform to the laws of this State and the policies of Austin College. Failure to comply with this policy will result in disciplinary action. Austin College neither forbids nor encourages members of its community to use alcoholic beverages. Each member of the Austin College community is responsible for supporting this policy under the Community Principle. Enforcement of this policy is the responsibility of all members of the Austin College community; though, it is the responsibility of the Student Affairs staff to adjudicate student violations of this policy. This policy applies to every campus event (including those held at the Lake Campus and other off-campus locations) where alcohol is present with specific guidelines as follows:

I. General Policy

- A. In accordance with the laws of the State of Texas, an individual must be 21 years of age or older to consume, possess, purchase or transport alcohol.
- B. In accordance with the City of Sherman, members of the Austin College community are not permitted to drink alcoholic beverages in open areas; therefore, consumption is permitted to:
 1. An individual's apartment or residence hall room if that person is 21 years of age or older with the door to that room or apartment closed.
 2. Another individual's apartment or residence hall room as long as the resident of that apartment or residence hall room is 21 years of age or older and present in the room at the time of possession and/or consumption.
 3. The Pouch Club.
 4. The Outback tailgating area located on the east side of the Jerry Apple Football Stadium during football games for those who are 21 or over.
 5. The Lake Campus— Being located outside of any city's jurisdiction, Open Container Ordinances do not apply, but all Texas state laws pertaining to alcohol also apply to the Lake Campus. For the safety of those who utilize the facility, Austin College enforces a NO GLASS CONTAINER policy for the beach, therefore limiting containers for any beverages or food to be of aluminum, plastic or other non-glass.
- C. Kegs, party balls and other common sources of mass quantities (e.g. 30--packs, garbage-pail punch, spiked watermelon, and Jell-O shots) of alcohol are not permitted, except in the Pouch Club, where kegs are utilized for distributing beer. This restriction includes the main campus, the Lake Campus, the residence halls and the apartments. Any paraphernalia related to mass quantities of alcohol will be confiscated.
- D. Because rapid consumption of large quantities of alcohol is far more dangerous than casual and responsible consumption, drinking games in which alcohol is consumed in large quantities are not permitted.
- E. Public intoxication will also be considered a violation of this Policy.
- F. All aspects of this policy apply to the Lake Campus.
- G. Students under the age of 21 may possess a maximum of two empty alcohol containers (i.e. beer bottle, wine or champagne bottle) which must be cleaned and used for decoration only. Collections of beer cans/ bottles, wine bottles, or shot glasses are not permitted. Decoration is defined as the container with items (i.e. flowers, marbles, stones, etc.) on display inside the container. The container must remain consistent throughout the year.

H. Individuals and groups will be held responsible for violations of this policy in accordance with the procedures outlined in the Non-Academic Code of Student Conduct (NACSC). Sanctions for violations are listed in section VII and VIII of this policy.

I. In accordance with fire code policies, no more than eight (8) people may congregate in a residence hall room or sixteen (16) in an apartment/suite/cottage at one time.

Freedom of Expression at Austin College

As a private institution, Austin College is a voluntary association of persons invited to membership with the understanding they will respect the policies and principles set forth by the College. The College respects the right of all its members to explore and to discuss questions which interest them, to express opinions publicly and privately, and to join together to demonstrate their concern by orderly means. Members of the College community should understand that civility, consideration, and tolerance must shape our interactions with each other. Infringing on the expression of views, either by interfering with a speaker or by defacing or removing property posted or distributed notices or materials, will not be tolerated.

The expressive speech activities governed by this policy include planned or spontaneous actions by a group or individual which are expressions of opinion, by words or action about particular events, policies, or situations.

While respecting the rights of its members to peaceful and unobstructed expressions of opinion, Austin College requires such activities not disrupt the College's operations or endanger the safety of others.

Further, Austin College imposes reasonable time, place, and manner for such activities.

Leadership and Advance Arrangements

A member of the College community and/or properly chartered student organization must be the designated Organizer/Liaison for each "expressive-speech" event. Any off-campus person or entity not affiliated with the College wishing to hold such an activity on campus must be properly sponsored by a department, chartered student organization, or a recognized member of the College community. Organizers and associated participants speak only for themselves in the public expressive events.

As with all requests to use College space, in order to further the effectiveness of the event and to avoid any conflicts in scheduling, organizers of expressive speech events that require the use of a College space are expected to complete the Austin College Event Planning/Facility Request Form and submit it to the Dean of Students at least 48 hours before the start of the event to ensure its successful execution. The Dean of Students will assist with planning the event details as is needed and helpful. The organizer shall be responsible for the orderly execution of the event and should consider financial obligations, security, cleanup, parking, and possible liability. The organizer is expected to ensure that the event complies with existing College policies and procedures, applicable state and federal laws, rules, and regulations. Organizers intending to use city sidewalks and streets adjacent to the College are encouraged to make appropriate arrangement with the City of Sherman.

Space Utilization & Time

Expressive speech events must not interfere with normal College business. It is a violation of the norms of the College community for anyone to prevent the conduct of College business, including lectures, meetings, events, ceremonies, classroom/educational activities, or other necessary business and community functions.

Expressive speech events shall typically occur in (public) spaces normally approved for reservation by individuals, departments, and chartered organizations for their activities. Expressive events are not permitted in the following locations: classrooms, offices, library, dining halls, residence hall rooms, and lecture halls to ensure that normal work, residential experiences, and services of the College can continue. Organizers must ensure that corridors, stairways and doorway entrances remain clear and provide unimpeded passage.

The length of any given event may vary. Expressive speech events will be permitted to continue until and unless the College officials determine that there has been a violation College policy, interruption of its operations and/or the rights of others have been compromised. Events will occur within a 24-hour period; no overnight or multiple day events are allowed. Events occurring within inside spaces shall comply with building schedules for opening and closing times.

Place cards, Banners, & Signs

Placecards, banners, and signs are allowed so long as they not be dangerous to others or impeding the participation of others in the life of the College. Should such items not comply with this basic expectation, the event will either be moved to another location or the materials will be removed. Such material should not defame another member of the community.

Prohibited and/or Unauthorized Behavior

The College has an obligation to develop policies and procedures that safeguard the freedom of expression while maintaining an atmosphere conducive to the overall functioning of the College. Each member of the community is expected to be respectful of the corollary right of other community members to perform their duties and participate in the life of the College free from disruption, interference, or harassment.

In order to avoid any misunderstanding of what is a peaceful, permitted, and safe “expressive-speech” event and what it is not, the following non- exhaustive list of behaviors and characteristics is provided as examples.

An event is disruptive and/or unsafe if it includes any activity that:

- Denies or unreasonably interferes with the rights of others;
- Occurs in a way that blocks entrances, exits, or passageways;
- Impedes the daily business, traffic flow, ingress/egress patterns or scheduled events;
- Creates a volume of noise that prevent community members from carrying on normal activities;
- Employs or threatens to use force or violence toward another person or property;
- Places the health or safety of others at risk;
- Fails to comply with any other College policy or appropriate directive;
- Is intimidating to others.

Any questions or appeals of decisions regarding such events should be directed to the Vice President for Student Affairs. He will consult with others on campus as needed to finalize a response to the appeal.

HIV/AIDS Policy

Austin College affirms and will in general act in accordance with the “General Statement of Institutional Response to AIDS” developed by the American College Health Association. This statement is found in “The Blue Book-Program Development Guidelines for Nurse-Directed Health Services.” The College reserves the right to depart from these guidelines in the best interests of the Austin College community.

Members of the College community involved in a situation concerning HIV/AIDS need to be both concerned with, and responsible for, the rights of the individual and the general well-being of the community as a whole. With respect to those rights, privacy is of the utmost importance. It is the responsibility of the appropriate staff/faculty member to discuss with the individual the need to notify the Vice President for Student Affairs. Responsibility for dealing with each case lies with the Vice President who will work with the community member to determine the best course of action. The Vice President and the individual involved will mutually determine the balance between the rights of the individual (including confidentiality) and the well-being of the community (including need to know).

Involuntary Administrative Withdrawal Policy

A student will be subject to involuntary administrative withdrawal from Austin College, or from College housing, if it is determined that the student is suffering from a psychological or medical disorder and, as a result of the disease/condition, engages or threatens to engage in behavior which reflects a lack of appropriate concern for their own physical and/or emotional health, or the health and safety of others, as well as a disregard or inability to modify these behaviors, such that they, and often the community, will experience a disruption in the conditions required for academic success and/or routine social relationships.

An involuntary administrative withdrawal does not preclude the College from suspending a student or withdrawing housing privileges in accordance with provisions of the Residence Hall Occupancy Agreement or other College rules or regulations.

A student accused of violating the College's disciplinary regulations may be diverted from the disciplinary process and involuntarily withdrawn from the College or removed from the residence halls if the student, as a result of a psychological disorder, lacks the capacity to respond to the pending disciplinary charges or did not know the nature or wrongfulness of the conduct at the time of the offense. An informal hearing before the Vice President for Student Affairs or his/her designee will be held to determine if the allegations of violation of the College's disciplinary regulations shall be handled as an involuntary administrative withdrawal.

Students subject to disciplinary charges who wish to introduce relevant evidence of any psychological disorder must inform the Vice President for Student Affairs in writing at least two working days prior to any disciplinary hearing. If the evidence is determined to have merit, the case shall be resolved by involuntary administrative withdrawal procedures where appropriate. A psychological disorder may not be admitted into evidence or considered by a hearing panel in any disciplinary proceedings.

The Vice President for Student Affairs and Chief Inclusion & Diversity Officer or his/her designee may refer a student for evaluation by an independent licensed psychiatrist or psychologist chosen by the College, if the Vice President believes that the student meets the criteria for involuntary administrative withdrawal or if a student subject to disciplinary charges wishes to introduce evidence of any psychological disorder. Students referred for evaluation shall be so informed in writing and shall receive a copy of these procedures. The evaluation must be completed within seven days from the date of the referral letter, unless a written extension is granted by the Vice President for Student Affairs and Chief Inclusion & Diversity Officer.

Students may be accompanied by a licensed psychologist, psychiatrist or treating physician of their choice, who may observe, but not participate in, the informal hearing to determine qualification for involuntary administrative withdrawal. Legal representation will not be permitted. A student who fails to complete the evaluation in accordance with these involuntary administrative withdrawal procedures will be suspended from the institution.

Appeals regarding this policy may only be made to the President of the College. Appeals shall be made in writing, within 30 days of the involuntary administrative withdrawal. Appeals may only be made on the grounds that: (1) the sanction is excessive and/or (2) new evidence exists that was unavailable at the time of the involuntary administrative withdrawal.

Sexual Behavior Statement

The Board of Trustees affirms the covenant of marriage as the appropriate setting for a healthy and fulfilling sex life. The College, as an educational institution, seeks to foster a climate of responsibility in sexuality based on the values of respect for persons and concern for their welfare. However, we also recognize our responsibility to members of the College community who choose to be sexually active. Those who choose to be sexually active must make that decision based on responsible moral reflection and not a matter of whim. Sexual behavior that exploits or causes discomfort to others is never acceptable.

We also recognize the threat to our society posed by AIDS, STDs, and unwanted pregnancy, and we affirm that, next to abstinence, the use of condoms is the most effective method of prevention. Responsible persons are informed about these issues.

The College also has an educational responsibility with regard to these issues. Educational programs can be arranged through the Residence Hall staff, Student Life staff, the Chapel, or Health Service. These offices can also be contacted about information or referrals to local agencies and medical facilities.

Organizational Standards & Philosophy Statement

The emphasis of all programs and organizations with active members shall be on development of the spirit and understanding of the dignity and worth of each individual. In recognition of the historical abuses in this area and the potential for damage to the dignity of the individual, the College prohibits any activities by individuals or organizations that subjects individuals to physical pain, indignity or humiliation. Prohibited activities and practices include, but are not limited to, physical exercises, deprivation of normal sleep or rest, any form of corporal punishment, the placing of anyone in actual or simulated peril or jeopardy of health, illegal activities, any indecent activity, the public wearing of degrading apparel, any humiliating activities or any promiscuous sexual activity or event designed to promote sexual activity. All organizations and their members shall follow membership and initiation procedures. For more information see the Greek Life Handbook, the Student Organization Handbook and the corresponding organization's constitution, which are available in the Student Life Office.

The purposes and objectives of all new member education programs or provisional membership programs shall be discussed with all participants in advance. (To assure appropriateness of programs and activities in this area, community members are encouraged to review the Texas State Hazing Law synopsis below.)

JP 8 Austin College Discrimination, Harassment, and Retaliation Policy

Approved by SLT: 4/6/2021

JP8 - Policy on Discrimination, Harassment, and Retaliation

Purpose

It is the policy of Austin College to create an educational and working environment that provides all members of the Austin College community equal access to College activities and programs. In accordance with federal and state law, Austin College prohibits unlawful discrimination, harassment, and retaliation on the basis of age, race, color, religion, sex, sexual orientation, gender, gender identity, national origin, ethnic origin, disability, predisposing genetic information, covered veteran status, and any other basis protected by law.

This policy provides information regarding Austin College's prohibition on non-sexual misconduct: discrimination, harassment, and retaliation. This policy explains how the College will respond once it receives a Report or receives a Formal Complaint of prohibited conduct. The processes described herein are tailored to address unacceptable behavior in a manner consistent with the College's values and status as a private institution of higher education, while meeting the legal obligations of Title VI, Title VII, and other applicable Federal and State laws and regulations. Basic fairness and reasonable expectations are strictly defined by the processes described in this policy. To make a request for a reasonable accommodation, students and employees must contact the Chief Human Resource Officer.

This policy does not create a contract with students, employees, or any other party.

Jurisdiction

This policy applies to applicants for admission or employment and the following members of the Austin College community: currently enrolled students and current employees; trustees; third-party consultants, vendors, and contractors when they are doing business with Austin College; individuals who perform services for Austin College such as volunteers; and visitors, guests, and other third parties under circumstances within Austin College's control.

This policy applies to conduct that takes place:

- on the campus or Austin College premises;
- in the context of any Austin College sponsored program, activity, or event, regardless of location;
- through the use of Austin College owned or provided technology resources; or
- off-campus and/or online when the conduct, as determined by the College, is likely to have an adverse effect on Austin College and/or the pursuit of its objectives, members of the Austin College community, or is likely to create, continue, or contribute to a hostile environment as determined by Austin College.

In determining if the conduct is likely to have an adverse effect, Austin College may consider whether:

- the reported action constitutes a criminal offense as defined by law. This includes, but is not limited to, single or repeat violations of any local, state, or federal law;
- it appears that the respondent may present a danger or threat to the health or safety of self or others as determined by the College;
- the conduct significantly impinges upon, as determined by the College, the rights, property or achievements of self or others or significantly breaches the peace and/or causes social disorder;
- the conduct is detrimental to the educational interests of Austin College, as determined by the College;
- any other relevant factor(s) as determined by Austin College.

Prohibited Conduct

Discrimination

The unlawful differential and adverse treatment of an individual or group based on an individual's or group's age, race, color, religion, sex, sexual orientation, gender, gender identity, national origin, ethnic origin, disability, predisposing genetic information, covered veteran status, and any other basis protected by law that is objectively offensive and unreasonably interferes with or limits an individual's or group's ability to participate in or to realize the intended benefits of an institutional activity, employment, receipt of reasonable accommodations, or other resources. Examples may be when the conduct interferes with:

- A student's or applicant for admission's ability to participate in, access, or benefit from educational programs, services or activities (e.g., admission, academic standing, assignment, campus housing);
- An employee's or applicant for employment's access to employment or conditions and benefits of employment (e.g., hiring, advancement, assignment, training opportunities);
- An authorized volunteer's ability to participate in a volunteer activity; or
- A guest's or visitor's ability to participate in, access, or benefit from Austin College's programs.

Harassment

Unwelcome conduct based on an individual's or group's age, race, color, religion, sex, sexual orientation, gender, gender identity, national origin, ethnic origin, disability, predisposing genetic information, covered veteran status, and any other basis protected by law, that is objectively offensive and when:

- Submitting to or enduring such conduct is made implicitly or explicitly a term or condition of a person's instruction, academic standing, employment, or participation in any Austin College program, activity, or benefit;
- Submission to or rejection of such conduct is used, implicitly or explicitly, as the basis for decisions affecting an individual's education (e.g., admission, academic standing, grades, assignment); employment (e.g., hiring, advancement, assignment); or participation in an Austin College program, activity or benefit;
- In the employment context, such conduct is sufficiently severe or pervasive that it unreasonably interferes with a person's work performance or creates an intimidating, hostile, or offensive work environment, or;
- In the education context, such conduct is sufficiently severe, persistent, or pervasive that the conduct interferes with the student's ability to participate in or benefit from educational programs or activities at Austin College.

To determine whether an educational or work environment was objectively offensive, the person appointed by the College will consider the totality of the circumstances, including (1) the frequency of the discriminatory / harassing conduct; (2) its severity; (3) whether it is physically threatening or humiliating, or merely an offensive utterance; and (4) whether it interferes with an employee's work performance or a student's ability to participate in or benefit from the educational programs or activities at Austin College. No single factor is determinative. The required level of severity or seriousness may vary inversely with the pervasiveness or frequency of the conduct. A single incident of harassment, if sufficiently severe, or a continuous pattern of less severe incidents of harassment could give rise to a viable formal complaint. A regular pattern of frequent verbal ridicule or insults sustained over time can constitute severe or pervasive harassment sufficient to violate this policy.

Austin College encourages individuals to report any incidents of discrimination and harassment to ensure they receive appropriate supportive measures, as determined by Austin College, and maintain access to their employment and/or education.

Retaliation

Austin College forbids retaliation against an individual as a result of filing a complaint of discrimination or harassment or participating in an investigation of a complaint of discrimination or harassment. No hardship, loss, benefit, or penalty may be imposed on an employee, student, or third party in response to:

- Filing or responding to a bona fide complaint of discrimination or harassment.
- Appearing as a witness in the investigation of a complaint.
- Serving as an investigator of a complaint.

Any person who is found to have violated this aspect of the policy by the person appointed by the College may be subject to immediate emergency removal or administrative leave and disciplinary action up to and including suspension, expulsion, termination of employment, or any other action deemed appropriate by the person appointed by the College to resolve retaliation.

Reports and Formal Complaints

Reports are communications to Austin College that behavior potentially violating a policy has occurred. A re-

port is not a request for an investigation or adjudication into these behaviors. Investigations and adjudications are triggered by the filing of a Formal Complaint (see Formal Complaints below)

Reports of discrimination, harassment, or retaliation must be made to the Chief Human Resource Officer:

- Melanie Oelfke, 900 N. Grand Ave., Suite 6I Sherman, TX 75090.
- Phone: 903.813.2433 and Email: moelfke@austincollege.edu
- Reports may also be submitted to the Chief Human Resource Officer through the Campus Conduct Hotline (CCH) (866-943-5787), or the Online Campus Conduct Reporting tool, both of which are linked at the bottom of every Austin College webpage via "Campus Conduct Hotline."
- If a report is made to anyone else, the reporter risks the possibility that it will not come to the attention of the appropriate College authorities and may, therefore, not be acted upon officially by an Austin College employee with authority to redress the allegations (Chief of HR).

Any person may make a report of discrimination, harassment, or retaliation to the Chief Human Resource Officer. Austin College will likely be limited in its response when reports are made by, or against, individuals that are not under Austin College's control. All persons have the right to contact law enforcement or other resources outside of Austin College's process.

Once reported to the Chief Human Resource Officer, the College may take any appropriate immediate action, as determined by the College, including Administrative Leave, Emergency Removal, and Supportive Measures. Supportive measures are immediate non-disciplinary efforts that should prohibit any further discriminatory or harassing action and may redress the alleged actions without having to go through the Formal Complaint Process. Supportive Measures are available as appropriate with or without the filing of a Formal Complaint.

Supportive Measures may be: Counseling; Extensions of deadlines or other course-related adjustments; Modifications of work or class schedules; Campus escort services; Mutual restrictions on contact between the parties; Changes in work or housing locations; Leaves of absence; Honoring an order of protection or a no-contact order entered by a State civil or criminal court; Increased security and monitoring of certain areas of the campus; taking corrective action; Other measures determined by the College to be appropriate.

Individuals receiving a No Contact Order are not entitled to an explanation of the alleged conduct, unless and until there is a Formal Complaint allowed to proceed by the person appointed by the College to make that determination.

Formal Complaints of discrimination or harassment are official requests that Austin College conduct an investigation into the alleged misconduct, make determinations regarding responsibility for an alleged policy violation, and implement appropriate sanctions against the respondent(s) if found responsible using a preponderance of the evidence standard. Formal Complaints must be filed with the Chief Human Resource Officer. (contact information above) The Formal Complaint should contain all known details about the allegations of misconduct including: date and time, location, parties, what happened, witnesses, and any other information relevant to the complaint. The Chief Human Resource Officer or their designee may ask for additional details after receiving the initial Formal Complaint.

Formal Complaints of Faculty behavior will be forwarded to the Vice President for Academic Affairs and will proceed under the process articulated in JP4 Judicial Guidelines and Procedures for the Faculty. Formal Complaints of Student behavior will be forwarded to the Vice President for Student Affairs or their designee and will proceed under this policy. All other Formal Complaints will be handled by the Chief Human Resource Officer and will proceed under this policy. A Formal Complaint may be filed by the Chief Human Resource Officer on behalf of another, when determined appropriate by the College. A person who reports allegations of discrimination or harassment but declines to file a Formal Complaint will have limited participation in College initiated resolution process. In this instance, the reporter will not be entitled to knowledge of the outcome or ability to appeal the dismissal of a formal complaint or the determination regarding responsibility.

Formal Complaint Process - After the person appointed by the College determines that the Formal Complaint may proceed (explained below) all parties are entitled to: notice of the allegations, an opportunity to present evidence and witnesses to an investigator, and an opportunity to be heard by the decision maker before a final decision is made. After an investigator completes the investigative report, it will be forwarded to the Decision Maker. The Decision Maker may then schedule separate meetings with the parties or witnesses and ask follow-up questions of both parties and witnesses, including those that challenge credibility. The Decision Maker may schedule additional meetings with parties or witnesses as determined appropriate by the Decision Maker. There will be no cross examination conducted by parties or their advisors. Both parties are allowed to have a Party Advisor who may be an attorney. However, Party Advisors may not advocate on behalf of the person they are advising during meetings, investigations, or hearings, nor may they interfere with the process, as determined by Austin College. The Decision Maker may be the Chief Human Resource Officer, the Vice President for Student Affairs, the Vice President for Academic Affairs, or their assigned designee(s). Individuals are assumed not responsible unless and until they are found responsible using the preponderance of the evidence standard (more likely than not) under this policy. Sanctions may only be implemented after a respondent is found responsible for a policy violation using the procedure listed above.

Sanctions may be: Expulsion, Suspension, Probation, Educational Sanctions, Revocation or withholding of admission or degree pending completion of other sanctions, No Contact Orders, Time and place restrictions or bans, Housing restrictions, Extension of requirements used as supportive measures, Community Service, Loss of Privileges, Notation in permanent record, Sanctions withheld, such as additional sanctions if deadlines for sanctions are not met, Restorative justice requirement, Specific sanctions that must be met before resuming status at Austin College, Referrals for assessment, such as counseling or medical assessment, Written warning or reprimand, Oral warning or reprimand, Termination of employment, Other sanctions deemed appropriate by the person(s) appointed by the College.

Formal Complaint Requirements - A Formal Complaint may only be submitted by: 1) the individual who is alleged to be the victim of conduct that could constitute discrimination or harassment, or 2) the Chief Human Resource Officer when they determine it is appropriate to do so. The Formal Complaint should contain all known details about the allegations of misconduct including: date and time, location, parties, what happened, witnesses, and any other information relevant to the complaint. At the time of filing a formal complaint, the complainant must be a current student or current employee. A formal complaint may not be filed by a student or employee on behalf of another person who is alleged to be a victim of discrimination or harassment, nor may a Formal Complaint be filed anonymously. The complainant cannot remain anonymous or prevent the complainant's identity from being disclosed to the respondent via the written notice of allegation.

The Chief Human Resource Officer or their designee must dismiss the Formal Complaint if the conduct alleged in the Formal Complaint: 1) would not constitute Prohibited Conduct (as defined in this policy) even if proved, 2) did not occur under the jurisdiction requirements listed in this policy. The Formal Complaint must also be dismissed if the complaint: 3) was not filed by a named student or employee, or 4) the respondent is no longer enrolled at or employed by Austin College, or under the College's jurisdiction.

At any point during the process the Chief Human Resource Officer or their designee may dismiss the complaint if: When a formal complaint contains allegations that are precisely the same as allegations the College is, or has already investigated and adjudicated; When the length of time elapsed between an incident of alleged discrimination or harassment, and the filing of a formal complaint, prevent Austin College from collecting enough evidence to reach a determination as determined by Austin College; and When the complainant has stopped participating in the investigation.

Determinations Regarding Responsibility - After all relevant evidence has been collected, reviewed, and responded to by the parties, the Decision Maker will review the evidence and meet with the parties/witnesses individually as needed to ask relevant follow up questions, including those that question credibility as appropriate. The determination regarding responsibility will then be made using the preponderance of the evidence standard (more likely than not). The Decision Maker appointed by the College will issue a written determination regarding responsibility with the following sections:

- (A) Identification of the allegations;
- (B) Findings of fact supporting the determination;
- (C) Conclusions regarding the application of Austin College's policy to the facts;
- (D) A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility and any disciplinary sanctions Austin College imposes on the respondent.

Appeals - Once written notification of the dismissal of a Formal Complaint or any allegations therein has been issued, both parties have the right to submit an appeal to the Chief Human Resource Officer.

Once written notification of the determination regarding responsibility has been issued, both parties have the right to submit an appeal to the Chief Human Resource Officer.

Appeals may only be submitted by a party to the action and solely upon the following four grounds:

- 1) Procedural irregularity that affected the outcome of the matter; 2) New material evidence that was not reasonably available at the time the Investigative Report was published or dismissal of allegations was made, that could affect the outcome of the matter; 3) Conflict of interest/bias - The investigator(s), or Decision Maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter. 4) Sanction is disproportionate to the violation.

Appeals must be submitted in writing to the Chief Human Resource Officer within 72 hours of receiving the notice of dismissal or decision regarding responsibility. If the appeal is accepted, any information that is submitted will be made available to the other party for review. The other participant may submit a rebuttal of the appeal in writing to the Chief Human Resource Officer within 7 days of receiving the appeal information. Upon receiving an appeal and rebuttal, if one is submitted, the Chief Human Resource Officer will refer it to the appropriate appeal agent for review and final decision making.

- Appeals addressing procedural Irregularities in the investigation and resolution process in a way that substantially altered the outcomes of the case shall be referred to an alternate investigator(s) and or decision maker(s) for review and decision making.
- Appeals providing substantive new evidence, which is information that was not reasonably available before or? dur-

ing the investigation or dismissal was made and that could affect the outcome of the matter shall be referred to the investigator(s) and or decision maker(s) for consideration and determination of a finding based on the new information.

- Appeals alleging a Conflict of Interest/Bias by the Decision Maker for or against complainants or respondents generally, or the individual complainant or respondent, that affected the outcome of the matter shall be referred to an alternate investigator(s) and or Decision Maker(s) for review and decision making.
- Appeals alleging that the sanction is disproportionate to the violation shall be assigned to the following appellate agents for review and decision making:
 - a) The Vice President for Business Affairs or designee if the responding participant is a staff member,
 - b) The Vice President for Student Affairs or designee if the responding participant is a student.

Austin College will seek to complete the appeals process in a reasonable amount of time as determined by the College unless Austin College determines in its discretion that more time is required. Austin College will provide periodic updates as it deems appropriate. The appropriate appeals agent will issue a written decision describing the result of the appeal and the rationale for the result. The Chief Human Resource Officer or designee will notify the participants simultaneously, to the extent possible, in writing of the appeal agent's decision. Finding and sanction decisions made by the appeal agent are final.

Informal Resolution - When determined appropriate by the Chief Human Resource Officer, the informal resolution process may be used to resolve allegations by taking immediate and corrective action to stop the conduct, address its effects, and prevent recurrence without implementing a formal resolution process. An informal resolution process may also include a remedies-based process (mediation), which allows both participants to come to a mutual agreement regarding the resolution of the complaint. Informal resolutions may reach agreements between the parties, facilitated by the Chief Human Resource Officer or their designee, that include continued supportive measures but that also could include disciplinary measures, while providing finality for both parties in terms of resolving allegations raised in a formal complaint of discrimination, harassment, or retaliation.

The informal resolution process may include the range of supportive measures described above, as well as targeted or broad-based training and educational programming for relevant individuals and groups or any other remedy that will achieve the goals of the College's policy. For example, both participants may agree that the permanent application of supportive measures (e.g. no-contact order) may be sufficient to resolve the complaint. This option is available if the College determines that such a process would be appropriate, and all participants agree to participate.

To enter into the Informal Resolution process, both parties must provide voluntary written consent to the College after receiving and reviewing the notice of allegation and the rules regarding the Informal Resolution process. At any time prior to the final Informal Resolution agreement either party may withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint.

Additional Provisions

Academic Freedom - Austin College is committed to upholding the tradition of academic freedom. This policy is not intended to restrict teaching methods or freedom of expression, nor will it be permitted to do so. The proper exercise of academic freedom does not include harassment or discrimination as defined by this policy.

Administrative Leave - The Process by which Austin College places a non-student employee respondent on administrative leave during the pendency of a grievance process. This process may be used when determined appropriate by the Chief Human Resource Officer.

Emergency Removal - The Process by which Austin College may remove a respondent from the College's education program or activity on an emergency basis, provided that the Chief Human Resource Officer or their designee undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student, employee, or other individual arising from the allegations of discrimination, harassment, or retaliation justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal. Austin College retains discretion on a case-by-case basis in determining if and when it is appropriate to contact a student's parents when the emergency removal tool is used.

Parental Notification – Austin College retains discretion on a case-by-case basis in determining if, and when, it will be

appropriate to contact a student's parent(s) or guardian(s). Students are encouraged to inform their parent(s) or guardian(s) if they are involved in a disciplinary action and should refer them to the Chief Human Resource Officer or their designee and this policy for questions.

Relevant Evidence - The Formal Resolution Complaint? Process will provide an objective evaluation of all relevant evidence. Credibility determinations will not be based on a person's status as a complainant, respondent, or witness. Relevant Evidence is defined as evidence:

- Tending logically to prove or disprove a fact of consequence or to make the fact more or less probable and thereby aiding the trier of fact in making a decision. What does this mean?
- Having a significant and demonstrable bearing on the matter at hand.

Extensions of Time - Any party who wishes to request a temporary delay in the grievance procedure or the limited extension of time frames must submit a written request to the Chief Human Resource Officer or their designee that details why that party is requesting the delay/extension. The party filing the request must demonstrate good cause for the delay/extension to be granted. The Chief Human Resource Officer or their designee will make a determination regarding the request for delay/extension. If the request is denied, the requesting party will receive notice of the decision and the reasons why the request was denied. If the request is granted, both parties will receive written notice of the delay/extension and the reasons for it. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities. Delays caused solely by administrative needs would be insufficient to satisfy this standard.

Even where good cause exists, Austin College may only delay the grievance process on a temporary basis for a limited time. A respondent (or other party, advisor, or witness) would not be able to indefinitely delay a proceeding by refusing to cooperate. The grievance process can proceed to conclusion even in the absence of a party or witness.

Responsibility to Cooperate - Process Participants under Austin College's control must cooperate in good faith with Austin College investigations. Refusal to cooperate in good faith with an investigation may result in disciplinary action. An employee's or student's refusal to cooperate with processes described in this policy will be reported to the Chief Human Resource Officer or their designee who may implement disciplinary action against those unwilling to cooperate.

Responsible Employees - A college employee who has the authority to redress misconduct under this policy. Designated Responsible Employees under this policy are the Chief Human Resource Officer. A responsible employee is not a person who has, or appears to have, the obligation to report instances of discrimination, harassment, or retaliation.

Austin College employees are not designated mandatory reporters under this policy. While employees may forward learned of allegations of discrimination or harassment to the Chief Human Resource Officer under their own discretion, they are not under any legal or college mandated obligation to do so (Unless required by any federal or state law or regulations). Individuals seeking supportive measures or an official response by the College must report to the Chief Human Resource Officer.

Party Advisors - Advisors who step outside their role, as determined by the College, may be dismissed from the process by the applicable Decision Maker. Advisors may be required to sign paperwork acknowledging their role and agreement to the policies of Austin College before they participate in a process.

Parties must give Austin College notice of their party advisor before any meeting, interview, hearing or other occasion where the party advisor will be present.

Nature of Policy - Austin College reserves the right to modify this policy at any time without notice.

0.1 – Introduction

Congress passed the Higher Education Amendments in 1972, and included within them was Title IX, which states: “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance...” Since 1972, additional federal and Texas state laws and regulations have been adopted to offer further protection to those in higher education (i.e., students, employees, and third parties) from discrimination and harassment based on a person’s sex or gender. Austin College is committed to establishing an environment free of such discrimination and prohibits such acts. This policy has been updated to substantially comply with the Department of Education’s August 14, 2020 Title IX Regulations, & Texas laws H.B. 1735, S.B. 212, & H.B. 449.

Hence, Austin College (the College) will respond in a clearly reasonable way (as defined by Sections 106.44 & 106.45 of the New Title IX Regulations) to Reports & Formal Complaints containing information about actionable sex-and gender-based discrimination occurring in the College’s educational programs or activities in the United States, of which the Title IX Office is given Actual Notice of. These responses are intended to stop prohibited conduct, prevent its recurrence, and address any lingering impact on both participants and the campus community. Any retaliation against, or intimidation of those involved in a misconduct incident, be it those bringing a complaint, those accused, or those participating in the resolution process, is prohibited and will not be tolerated by the College.

Austin College supports persons involved in this process through available support services. The College encourages all parties in Austin College’s Community who wish to receive confidential support services regarding sex- and gender-based discrimination to seek assistance from the Title IX Coordinator, staff in counseling services or health services, the office of the College chaplain, the Grayson County Crisis Center, or to seek other medical attention. Additionally, employees needing support services may seek assistance from the Human Resource Department or the Employee Assistance Program. Nothing in this policy prohibits individuals from reporting crimes to Law Enforcement.

Questions regarding Title IX may also be referred to the United States Department of Education’s Office for Civil Rights, Dallas Office.

0.2 – Notice of Non-Discrimination

Austin College is committed to equal opportunity and does not discriminate on the basis of age, color, disability, national origin, race, religion, sex, gender, gender identity, sexual orientation, citizenship status, genetic information, status as a veteran, or any other characteristic that is protected by applicable state or federal law in its operations, employment opportunities, educational programs, and related activities. Austin College is committed to providing individuals with disabilities equal access to the process outline in this policy. If you need an accommodation in the process, please consult with the Title IX Coordinator.

The Chief Human Resource Officer has been designated by the College as the appropriate person with authority to redress allegations of non-sexual misconduct: discrimination, harassment, & retaliation. All reports or formal complaints must be made to the Chief Human Resource Officer in order for Austin College to have actual notice of the issue and respond in a clearly reasonable way.

Reports of discrimination, harassment, or retaliation must be made to the Chief Human Resource Officer:

Melanie Oelfke, 900 N. Grand Ave., Suite 6I Sherman, TX 75090.

Phone: 903.813.2433

Email: moelfke@austincollege.edu Fax: 903.813.3197

Reports may also be submitted to the Chief Human Resource Officer through the Campus Conduct Hotline (CCH) (866-943-5787), or the Online Campus Conduct Reporting tool, both of which are linked at the bottom of every Austin College webpage via “Campus Conduct Hotline.”

If a report is made to anyone else, the reporter risks the possibility that it will not come to the attention of the appropriate College authorities and may, therefore, not be acted upon officially by an Austin College employee with authority to redress the allegations.

Any person may make a report of discrimination, harassment, or retaliation to the Chief Human Resource Officer. Austin College will likely be limited in its response when reports are made by, or against, individuals that are not under Austin College’s control. All persons have the right to contact law enforcement or other resources outside of Austin College’s process.

Once reported to the Chief Human Resource Officer, the College may take any appropriate immediate action, as determined by the College, including Administrative Leave, Emergency Removal, and Supportive Measures.

0.3 - Title IX (Federal) & Non-Title IX (Texas) Compliance

In May of 2020 the United States Department of Education issued new regulations that substantially updated how schools receiving federal funds must respond to allegations of Sexual Misconduct. These rules mandate specific definitions & formalize investigatory & adjudicatory processes which Austin College is required to implement by August 14, 2020. Several of the new Federal provisions either conflict with or go beyond the requirements imposed on Austin College by the Texas legislature.

The New Regulations address this conflict: Section 106.45(b)(3)(i) ("The Recipient must investigate the allegations in a formal complaint. If the conduct alleged by the complainant would not constitute sexual harassment as defined in § 106.30 even if proved, did not occur in the Recipient's education program or activity, or did not occur against a person in the United States, then the Recipient must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under title IX or this part; such a dismissal does not preclude action under another provision of the Recipient code of conduct.")

Given this discretion, Austin College remains committed to responding to all allegations of sexual misconduct made by members of Austin College's community & has incorporated a Non-Title IX procedure into this Sexual Misconduct policy to address allegations that fall outside of Title IX.

If an allegation in a Formal Complaint of Sexual Misconduct is dismissed under the Title IX Process because it occurred outside of either the United States or Austin College's Educational Program or Activities, or it does not meet the Title IX Harassment definition, then the complainant may submit the Formal Complaint to the Non-Title IX process. All Formal Complaints alleging sexual misconduct must first go through the Title IX Process, before it goes through the Non-Title IX Process.

The State of Texas requires that Austin College's governing board approve its Sexual Misconduct policy. (H.B. 1735 Section 51.282 (a)(2)) As compliance with both the Federal Regulations & the Texas Laws are non-negotiable, this sexual misconduct policy, which incorporates both Federal & State mandates, has been approved by Austin College's Governing Board for responding to Sexual Misconduct.

Date of Board Approval: November 7, 2020

0.4 - Record Keeping

1) Austin College must maintain for a period of seven years records of—

- A. Each sexual misconduct investigation including any determination regarding responsibility and any audio or audiovisual recording or transcript, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to Austin College's education program or activity;
- B. Any appeal and the result therefrom;
- C. Any informal resolution and the result therefrom; and
- D. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. Austin College must make these training materials publicly available on its website.

2) For each response required under Title IX, Austin College must create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, Austin College must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to Austin College's education program or activity. If Austin College does not provide a complainant with supportive measures, then Austin College must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit Austin College in the future from providing additional explanations or detailing additional measures taken.

0.5 – Mandatory Training

- 1) All individuals designated by Austin College as a Title IX Coordinator, investigator, decisionmaker, or any person designated to facilitate an informal resolution process, will not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.
- 2) Austin College ensures that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receive training on the definition of sexual harassment in this policy, the scope of the College's education program or activity, how to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.
- 3) Austin College ensures that decision-makers receive training on any technology to be used at a live hearing and on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, as set forth in this policy.
- 4) Austin College ensures that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.

- 5) Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, do not rely on sex stereotypes and promote impartial investigations and adjudications of formal complaints of sexual harassment.

0.6 – Requesting an Accommodation

Requests for accommodation (ADA, Section 504) should be made to the Title IX Coordinator. The Coordinator will work with the appropriate college authority to determine what reasonable accommodations may be provided.

Individuals that believe they need a translator or Language Assistance throughout the Title IX or Non-Title IX process may contact the Title IX Coordinator

0.7- Reasonably Prompt Time Frames

0.7(a) Investigation - The investigation of a Formal Complaint will be concluded within 90 business days of the filing of a Formal Complaint.

0.7(b) Grievance Process, including Appeal – The entire grievance process outlined in this policy, including any appeal, will generally be completed in no more than 165 business days. This time frame is subject to change.

0.7(c) Appeal – 21 Business days

0.8 - Requesting an Extension of Time

Any party who wishes to request a temporary delay in the grievance procedure or the limited extension of time frames must submit a written request to the Title IX Coordinator that details why that party is requesting the delay/extension. The party filing the request must demonstrate good cause for the delay/extension to be granted.

The Title IX Coordinator will make a determination regarding the request for delay/extension. If the request is denied, the requesting party will receive notice of the decision and the reasons why the request was rejected. If the request is granted, both parties will receive written notice of the delay/extension and the reasons for it.

Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities. Delays caused solely by administrative needs, for example, would be insufficient to satisfy this standard.

Even where good cause exists, Austin College may only delay the grievance process on a temporary basis for a limited time. A respondent (or other party, advisor, or witness) would not be able to indefinitely delay a Title IX proceeding by refusing to cooperate.

The grievance process can proceed to conclusion even in the absence of a party or witness.

1.0 – Sexual Misconduct Policy

The Federal mandates established by Title IX and the Campus SaVE Act reaffirm that students, employees, and third parties have the right to be free from discrimination based on their gender, sex, sexual orientation, and gender appearance/expression. All procedures regarding such incidences can be found herein.

1.1(a) – Scope of Title IX Policy

This policy applies to Austin College students, employees, and third-parties participating in Austin College's education program or activity as defined in 34 C.F.R. § 106.44(a): Locations, events, or circumstances over which the college exercised substantial control over both the respondent and the context in which the sexual harassment occurs, and also includes any building owned or controlled by a student organization that is officially recognized by the College.

1.1(b) – Scope of Non-Title IX Policy

This policy applies to Austin College students, employees, and third parties both on and off campus, as well as in cyberspace. Off-campus coverage of this policy includes incidents that occur within the College's operations including incidents that occur outside the United States such as employee-led trips, study-abroad sites, internship sites, service- learning sites, college-owned properties & when the conduct substantially affects a person's education or employment with the College or poses a risk of harm to members of the Austin College community.

1.2 - Prohibited Misconduct Defined

Conduct that is prohibited and encompassed by this policy includes sexual harassment, sex and gender discrimination, sexual assault, rape, stalking, and relationship abuse (including domestic and dating violence). These acts are also a violation of federal and state law (including Title IX, Title VII, the Campus SaVE Act, and the Violence Against Women Act). These acts are prohibited in any sex or gender configuration (i.e., between the same or differing genders), regardless of sex and gender identity, or in any power configuration. Individuals found responsible for violating these policies will face sanctions that are commensurate with the severity of the policy violation, ranging from warning to expulsion or termination of employment.

Many of the behaviors outlined in this policy may be felony or misdemeanor crimes in addition to violations of this policy. Victims are encouraged to explore legal options for prosecution if they desire. Austin College will conduct its own investigation and resolution process for a Formal Complaint, regardless of whether the alleged misconduct is also being pursued through the criminal justice system. Acts of harassment or sex- and gender-based discrimination may vary in severity and include the following categories:

1.21 – Title IX Sexual Harassment

Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

1.21.1 – Quid Pro Quo, Sexual Harassment

Quid Pro Quo Harassment means an employee of the college conditioning the provision of an aid, benefit, or service of the college on an individual's participation in unwelcome sexual conduct.

1.21.2 – Davis Standard, Sexual Harassment

Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient's education program or activity.

1.21.3 - Clery/VAWA Offenses, Sexual Harassment:

1.21.3(a) - Sexual Assault

Sexual assault means an offense that meets the definition of rape, fondling, incest, or statutory rape as used in the FBI's Uniform Crime Reporting program:

- (A) "Rape" means the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim..
- (B) "Fondling" means the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.
- (C) "Incest" means sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- (D) "Statutory Rape" means sexual intercourse with a person who is under the statutory age of consent.

(Citation: 20 U.S.C. 1092(f)(6)(A)(v), Defined at 34 CFR 668.46)

Sexual assault can be committed by persons of the same sex as well as those of different sex.

Students, employees, and third parties should understand that forced or unwanted sexual intercourse or sexual contact (as defined above), whether it involves a stranger or an acquaintance, is sexual assault. The severity of the violation is the same whether the responding participant is a stranger or known to the reporting participant.

1.21.3(b) - Dating Violence

Dating Violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the consideration of: 1) length of the relationship, 2) the type of relationship, and 3) the frequency of interaction between the persons involved in the relationship.

1.21.3(c) - Domestic Violence

Domestic Violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic of family violence laws of the jurisdiction receiving grant monies, or by any other person against the an adult or youth victim who is protected form that person's act under the domestic or family violence laws of Texas. (Citation: 34 U.S.C. 12291(a)(8))

1.21.3(d) - Stalking

"Stalking" means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person's safety or the safety of others; or suffer substantial emotional distress. (Citation: 42 U.S.C. 12291(a)(30)) For guidance purposes regarding this definition:

- (A) Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property.

- (B) Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim.
- (C) Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling. (Citation: 34 CFR 668.46)

Stalking can occur between strangers, individuals who know each other, or individuals who are or were previously in a relationship. Stalking behaviors may include unwanted following or watching, unwelcome gifts, or communications in person, in writing, or through the use of technology. It also includes accessing personal information to monitor a person's activity.

1.22 – Non-Title IX Sexual Harassment

Non-Title IX Sexual Harassment means unwelcome, sex based verbal or physical conduct that:

- (a) in the employment context, unreasonably interferes with a person's work performance or creates an intimidating, hostile, or offensive work environment; or
- (b) in the education context, is sufficiently severe, persistent, or pervasive that the conduct interferes with a student's ability to participate in or benefit from educational programs or activities of Austin College.

Examples of sexual harassment may be: repeated unwelcomed sexual conduct or advances that may take the form of inappropriate sexual or suggestive comments, sounds or jokes; unsolicited touching that falls outside of the Sexual Assault definition.

1.23 - Retaliation

- 1) No person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by title IX, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this part. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by title IX or this part, constitutes retaliation.
- 2) Austin College will keep private the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. 1232, or FERPA regulations, 34 CFR part 99, or as required by law, or to carry out the purposes of 34 CFR part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination.
- 3) The exercise of rights protected under the First Amendment does not constitute retaliation prohibited.
- 4) Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance under this part does not constitute retaliation prohibited, provided however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

1.24 - Sexual Exploitation

- Sexual exploitation occurs when a person takes non-consensual, unjust, or abusive sexual advantage of another for their own advantage or benefit, or for the benefit or advantage of anyone other than the one being exploited. This behavior may fall under either the Title IX Non-Sexual Assault Sexual Harassment standard or the Non-Title IX Sexual Harassment standard. There are many degrees and types of sexual exploitation. Examples of sexual exploitation are described below.
- Photographing or taping someone (via audio or video) involved in sexual activity, or in a state of undress without their consent or knowledge constitutes prohibited sexual exploitation (even if a person consented to the sexual activity or the state of undress, photographing or taping someone without their knowledge goes beyond the boundaries of that consent).
- Disseminating photographs or video/audio of someone involved in sexual activity or in a state of undress without their knowledge or consent constitutes a separate and additional act prohibited by this policy.
- Voyeurism, which is the act of observing a person involved in sexual contact/activity or in a state of undress without their knowledge or consent, is prohibited by this policy.
- Inducing intoxication/incapacitation for the purpose of sexual activity (i.e., offering drugs, alcohol, or other substances to a person with or without their knowledge with the intent to impair their ability to withhold consent or their ability to knowingly consent to sexual activity) is a violation of this policy. This type of conduct constitutes sexual exploitation regardless of whether any sexual activity takes place.

1.25 - Intentional Presentation of False Information

Participants in both the Title IX & Non-Title IX process must present, in good faith, truthful and accurate information to those involved in ensuring a fair process. Knowingly making false statements or presenting inaccurate information is unacceptable and may result in a separate disciplinary action regarding that conduct. Please note that filing a report or providing information which a participant or

witness genuinely believes is accurate, but which is ultimately dismissed due to insufficient evidence or found to be untrue, does not constitute the intentional presentation of false information.

1.26 - Violation of Supportive Measures

An employee or student's failure to comply with the terms of Supportive Measures directives is a violation of Austin College policy.

1.27 - Employee Failure to Report or False Report

It is a violation of Texas Law & Austin College policy for an employee who is required to make a

report to not make a report to the Title IX Office. The State of Texas has determined that an employee commits an offense if: 1) they are required to make a report & knowingly fails to make a report; or 2) with the intent to harm or deceive, knowingly makes a report that is false. These offenses are classified as Class B Misdemeanors, which can be upgraded to a Class A Misdemeanor at trial.

As is required by Texas Law, Austin College shall terminate the employment of an employee whom the institution determines in accordance with the institution's disciplinary procedure to have committed the offense of not making a report they knew of or making a false report.

1.28 - Interference with Processes under this Policy

Any person who interferes with the Grievance Processes under this Policy is subject to disciplinary action up to and including dismissal or separation from the University. Interference with a Grievance Process may include, but is not limited to:

- 1) Attempting to coerce, compel, or prevent an individual from providing testimony or relevant information;
- 2) Removing, destroying, withholding, or altering documentation relevant to the Grievance Process;

1.29 Employee – Student Relationships

Sexual, romantic, or dating relationships between employees and students are inconsistent with the mission of the College and inappropriate because they carry a risk of damaging the student's educational experience and the faculty or staff member's career. The College thus prohibits sexual, romantic, or dating relationships, even of a consensual nature, between employees and currently enrolled students. Enrolled students who are employed by College are considered students for consensual relationships.

There are exceptional circumstances in which the spouse or partner of a faculty or staff member is a student at the College. This policy does not apply in such circumstances. The Dean of the Faculty or the appropriate vice president is the administrative officer who determines whether a circumstance is exceptional.

1.3 - Process Definitions & Provisions

1.31 - Academic Freedom

Austin College is committed to principles of free speech and upholding the tradition of academic freedom. This policy is not intended to restrict teaching methods or freedom of expression, nor will it be permitted to do so. The proper exercise of academic freedom does not include harassment or discrimination as defined by this policy.

1.32 - Administrative Leave

The Process by which Austin College places a non-student employee respondent on administrative leave during the pendency of a grievance process.

1.33 – Confidentiality

Because breaches of confidentiality compromise the ability of Austin College to investigate and resolve claims of harassment and discrimination, the Title IX Coordinator will attempt to protect the confidentiality of harassment and discrimination proceedings to the extent reasonably possible. On campus, complete confidentiality cannot be guaranteed. Limited Confidentiality may be available when a concern is shared with a College-designated limited reporter employee (defined in Section 1.42.3) and when the concern does not involve a continuing threat of serious harm to self or others as determined by the Title IX Coordinator.

1.34 – Consent

Consent is clear, active, and affirmative permission to act, either by words or actions. The person who initiates sexual activity is responsible for obtaining the other person's consent for that activity each and every time. The existence of a dating relationship, or prior intimate relationships, does not imply consent, and once consent has been given, it can be withdrawn at any time. Consent can never be assumed or implied. The absence of "no" or silence does not mean that consent has been given. Additionally, consent to one form of sexual activity does not imply consent to other forms of sexual activity.

1.34.1 - When Consent cannot be Obtained

Consent cannot be obtained when any of the following circumstances are used:

- a) Physical violence, meaning that a person is exerting control over another person through the use of physical force. Examples of physical force include hitting, punching, slapping, kicking, restraining, choking, and brandishing or using any weapon.
- b) Threats, meaning words or actions that would compel a reasonable person to engage in unwanted sexual activity. Examples include threats to harm a person physically, to reveal private information to harm a person's reputation, or to cause a person academic or economic harm.
- c) Intimidation, meaning an implied threat that menaces or causes reasonable fear in another person. A person's size alone does not constitute intimidation; however, a person's size may be used in a way that constitutes intimidation (e.g. blocking access to an exit).
- d) Coercion, meaning the use of an unreasonable amount of pressure to gain sexual access. Coercion is more than an effort to persuade, entice, or attract another person to have sex. When a person makes a clear decision not to participate in a particular form of sexual contact or sexual intercourse, a decision to stop, or a decision not to go beyond a certain interaction, continued pressure can be coercive. In evaluating whether coercion was used, the College will consider: (a) the frequency of the application of the pressure, (b) the intensity of the pressure, (c) the degree of isolation of the person being pressured, and (d) the duration of the pressure. Coercion includes continued pressure after an individual has made it clear that they do not want to engage in the behavior.
- e) Consent is not present when an individual is incapacitated. An incapacitated individual is someone who cannot make rational, reasonable decisions because that person lacks the capacity to understand the "who, what, when, where, why, or how" of a sexual interaction. This includes a person whose incapacity results from a disability, sleep or lack thereof, involuntary physical restraint, unconsciousness, or use of alcohol or other drugs. Every individual may manifest signs of incapacitation differently; typical signs include slurred or incomprehensible speech, unsteady gait, combativeness, emotional distress, vomiting, or incontinence. The impact of alcohol and other drugs varies from person to person, and if there is any doubt as to the level or extent of the other person's intoxication or impairment, the prudent course of action is to forgo or cease any sexual contact or activity. Being impaired by alcohol or other drugs is not a defense to any violation of this policy, including failure to obtain consent. In evaluating consent in cases of alleged incapacitation, the College seeks to determine 1) if the person initiating sexual activity knew that the other participant was incapacitated and 2) if not, would a reasonable person have known that the other participant was incapacitated. If the College determines that either of these statements are true, consent was absent.
- f) Consent is never present if an individual is under the legal age of consent (17 in the State of Texas).

1.35 - Emergency Removal

The Process by which Austin College may remove a respondent from the College's education program or activity on an emergency basis, provided that the Title IX Office undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

1.36 - Parental Notification

Austin College retains discretion on a case-by-case basis in determining if, and when, it will be appropriate to contact a student's parent(s) or guardian(s). Students are encouraged to inform their parent(s) or guardian(s) if they are involved in a Title IX action and should refer them to the Title IX Coordinator or their designee and this policy for questions.

1.37 - Process Participants

1.37.1 - Title IX Coordinator

This individual is responsible for the oversight of this policy and the Enforcement of Supportive Measures & Sanctions.

1.37.2 - Reporting Participant

An individual who provides notice to the College that they have experienced one or more acts of sexual misconduct. If necessary, the College can assume the role of reporting participant.

1.37.3- Complainant

An individual who is alleged to be the victim of conduct that could constitute sexual harassment or any of the violations defined in this policy.

1.37.4- Respondent

Any individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment or any of the violations defined in this policy.

1.37.5 - Witness

The reporting and responding participants have the right to identify any individuals who may be witnesses to the conduct alleged in a formal complaint. Participants may provide an explanation the witness's relevance to this investigation at the time the witnesses are identified to the investigator(s). Participants should be aware that it is possible for both reporting and responding participants to list the same people as witnesses on their behalf. Witnesses are expected to cooperate and speak the truth. Witnesses should not be intimidated, threatened or improperly influenced in any way by either participant or through other individuals (e.g. friends, family members, attorneys, social media, etc.). The investigator(s) will attempt to interview any witnesses identified by the participants that the investigator(s) deems to be relevant to the resolution of the complaint. As members of Austin College's community, students and employees are expected to cooperate with and participate in the investigation process. Witnesses may also be a Party Advisor.

1.37.6 - Party Advisor

Each Complainant & Respondent in a sexual misconduct investigation is entitled to one Party Advisor of their choosing to perform cross examination at the Live Hearing & accompany and assist them throughout the campus resolution process. The Party Advisor can be a friend, family member, attorney, faculty member, witness, or any other individual a participant selects who is willing, eligible, and available. Other than serving as a witness & conducting Cross Examination at the Live Hearing (in the Title IX Formal Resolution Process), a Party Advisor may not be otherwise involved in the process.

Participants are entitled to be accompanied by their party advisor in all meetings and interviews at which participants are requested to be present. The party advisor may help their participant prepare for each meeting. At a Title IX Formal Resolution Live Hearing the Party Advisor is permitted to ask the other party & any witnesses all relevant questions and follow-up questions, including those challenging credibility. If a party does not have an advisor present at the live hearing, Austin College will provide without fee or charge to that party, an advisor (not required to be an attorney) to conduct cross-examination on behalf of that party. Party Advisors may not answer questions for the party they are advising during an Investigation, Live Hearing, or other meeting. Party Advisors may not give the opening or closing for the party they are advising during the Live Hearing (Title IX Formal Resolution Process).

All party advisors are subject to the same campus rules, whether or not they are attorneys. Party advisors who step out of their role or otherwise violate this policy during the campus resolution process will be subject to removal as a party advisor.

The College expects the party advisors to adjust their schedules to allow them to attend College meetings, interviews, or other necessary events when scheduled. Accommodations for participation may be considered (e.g. phone, Skype).

Participants must inform the Title IX Coordinator of the identity of their party advisor. Participants and the party advisor must provide timely notice of a change in party advisors to the Title IX Coordinator. Prior to attending any interviews, the party advisor will be required to agree to confidentiality/non-retaliation, agreeing not to disclose or discuss anything relating to the formal report with anyone other than those authorized to see or hear such information under this process. A party's advisor may choose to withdraw from their role during the process for any reason. A party advisor must provide notice to the Title IX Coordinator when they withdraw from their role.

1.37.7 - Process Advisor

The College maintains a list of limited reporter employees who are trained to assist participants understand this policy and the resolution processes. These individuals are appointed by the College. They will report the incident to the Title IX Coordinator; however, they are not required to report personally identifiable information about the reporting or responding participants.

1.37.8 - Investigator

The Individual assigned by the Title IX Coordinator to investigate a Formal Complaint of Sexual Misconduct. These individuals will not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. The Title IX Office will ensure that all investigators receive training on the definition of sexual harassment in § 106.30, the scope of Austin College's education program or activity, how to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. Investigators have received training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. Materials used to train these individuals do not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment.

1.37.9 - Decision Maker

The individual assigned by the Title IX Coordinator to ask relevant questions at the hearing & decide if cross examination questions are relevant at the live hearing, & to make determinations regarding responsibility. These individuals will not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. The Title IX Office will ensure that all decision makers receive training on the definition of sexual harassment in § 106.30, the scope of Austin College's education program or activity, how to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. The Title IX Office will ensure that decision-makers receive training on any technology to be used at a live hearing and on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant. Materials used to train these individuals do not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment.

1.37.10 - Clerk

The individual assigned by the Title IX Coordinator to assist all participants in the Formal Resolution process with scheduling. This person may also enforce the decorum rule at the live hearing in a Formal Resolution.

1.37.11 – Support Person

All parties may have a support person accompany them to all interviews & meetings. Support Persons may also be a party's advisor. Support Persons are never allowed to answer for, or speak on behalf of the party they are supporting. Support Persons may confer quietly and briefly with the person they are supporting as needed in a meeting. The Support Person can be a friend, family member, attorney, faculty member, or any other individual a participant selects who is willing, eligible, and available. Support Persons may not otherwise be involved in the process.

All Support Persons are subject to the same campus rules, whether or not they are attorneys. Support Persons who step out of their role or otherwise violate this policy during the campus resolution process will be subject to removal as a Support Persons.

The College expects the Support Persons to adjust their schedules to allow them to attend College meetings, interviews, or other necessary events when scheduled. The College does not typically change such scheduled meetings to accommodate a support person's ability to attend. Other accommodations for participation may be considered (e.g. phone, Skype).

Participants must inform the Title IX Coordinator of the identity of their Support Person. Participants and the support person must provide timely notice of a change in support person to the Title IX Coordinator. Prior to attending any interviews, the support person will be required to agree to confidentiality/non-retaliation, agreeing not to disclose or discuss anything relating to the formal report with anyone other than those authorized to see or hear such information under this process. A support person may choose to withdraw from their role during the process for any reason. A support person must provide notice to the Title IX Coordinator when they withdraw from their role. Support Persons that are not also serving as a Party Advisor will not receive evidence or the Investigative report for review.

1.38 - Relevant Evidence

The Formal Resolution Process will provide an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence. All credibility determinations will not be based on a person's status as a complainant, respondent, or witness.

1) Relevant Evidence is defined as evidence:

- Tending logically to prove or disprove a fact of consequence or to make the fact more or less probable and thereby aiding the trier of fact in making a decision.
 - Having a significant and demonstrable bearing on the matter at hand.
 - Affording evidence tending to prove or disprove the matter at issue or under discussion.
 - "Relevant." Merriam-Webster.com Dictionary, Merriam-Webster.
- 2) Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.
- 3) Legally Privileged information (Attorney/client, Dr./Patient) & legal/medical records are not relevant & may not be used or asked about unless voluntarily released by the party and relevant.

1.39 – Student Amnesty

Students may be concerned about reporting sexual misconduct believing that their own behavior might subject them to disciplinary action (e.g., if a reporting participant or witness is underage and was using alcohol or drugs at the time of the incident). Witnesses and reporting participants should be assured that the focus in matters of sexual misconduct is always on the reported behavior, not on whether the witness or reporting participant was using alcohol or drugs at the time. Individuals are encouraged to come forward and report such conduct regardless of the surrounding circumstances. In situations involving allegations of sexual misconduct, Austin College will seek to make the sexual misconduct allegation the primary focus of any investigation or disciplinary action. The College may not pursue disciplinary action against reporting participants, witnesses or a third party for disclosure of their own personal consumption of alcohol or drugs at or near the time of the incident provided that any such violation did not harm or place the health and safety of any other person at risk. It should be noted that the use of alcohol or drugs does not excuse sexual misconduct and a person who has been incapacitated through the use of alcohol or drugs (or by any other means) cannot give consent to sexual activity.

1.39.1 "Participating in or Attempting to Participate in the College's Education Program or Activity" Defined

Austin College only considers currently enrolled students and current employees to meet this definition. This definition applies equally to all parties.

1.4 – Reporting Sexual Misconduct

Individuals may choose to seek action or assistance both on campus as well as through surrounding community resources. The following are examples of reasons that one might choose to report an incident of alleged misconduct to:

- To receive support in coping with an incident.
- To make Austin College aware of behavior in case it is part of a larger pattern.
- To help prevent similar incidents from happening in the future.
- To seek information about taking formal action against someone.
- To seek information about educating someone about their behavior through use of the College's Title IX process and procedures.

Reports should be filed with the Title IX Coordinator or Deputy Coordinator:

After a report of Sexual Misconduct has been filed with the Title IX Office, the Title IX Coordinator &/or Deputy Coordinator will:

- 1) Discuss the availability of supportive measures to the Reporting Participant,
- 2) Explain the process for filing of a Formal Complaint
- 3) Explain the Formal Resolution & Informal Resolution process.

- 8) Describe the range of interim measures and remedies for security and support.

Once reported to the Title IX office, Supportive Measures are available as appropriate to the reporting party with or without the additional step of going through an Informal or Formal resolution.

A report is not a request for an investigation or adjudication, these are triggered by the filing of a Formal Complaint.

Reports to anyone other than the Title IX Coordinator & the Deputy Title IX Coordinator does not qualify Austin College as having Actual Knowledge of Sexual Misconduct. Submitting a Report of Sexual Misconduct does not guarantee any particular result.

While required to make a report to the Title IX Coordinator, they must state only the type of incident reported and may not include information that would violate a student's expectation of privacy. The following employees & Process Advisors are designated as Limited Reporters:

Austin College Counselors	John Williams	Lenora Hatch
Counseling Services	College Chaplain	Medical Professional

903.813.2247	903.813.2220	903.813.2247

1.43 - Timing of Reports

There is no time limit for the submission of a report alleging sexual misconduct.

1.5 - Supportive Measures

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to Austin College's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the College's educational environment, or deter sexual harassment. Academic Supportive measures will be coordinated with and communicated to the faculty member(s) of record and the Academic (divisional) Dean or the Vice President for Academic Affairs. Supportive measures will be confirmed in writing. Supportive measures may include:

- Counseling,
- Extensions of deadlines or other course-related adjustments,
- Modifications of work or class schedules,
- Campus escort services,
- Mutual restrictions on contact between the parties,
- Changes in work or housing locations, • Leaves of absence,

- Honoring an order of protection or a no-contact order entered by a State civil or criminal court. Increased security and monitoring of certain areas of the campus,
- Other similar measures.

The Title IX Office will maintain as private any supportive measures provided to the complainant or respondent, to the extent that maintaining such privacy would not impair the ability of the College to provide the supportive measures.

An employee or student's failure to comply with the terms of interim measure directives is a separate violation of Austin College policy.

The availability of Supportive Measures &/or action taken by Austin College may be limited in instances where reports are made by individuals that are not participating in or attempting to participate Austin College's educational program or activity.

1.6 - Formal Complaint

Formal complaint means a document filed by a complainant or signed by the Title IX Coordinator (in a Coordinator Initiated Complaint) alleging sexual misconduct against a respondent and requesting that Austin College investigate the allegation of sexual harassment. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed in Section 1.41 of this policy.

1.6(a) – Formal Complaint Requirements

- 1) A Formal Complaint may only be submitted by the individual who is alleged to be the victim of conduct that could constitute sexual harassment or any of the violations defined in this policy
- 2) At the time of filing a Title IX or Non-Title IX formal complaint, the complainant must be participating in or attempting to participate in the education program or activity of Austin College.
- 3) A Formal Complaint may not be filed anonymously. The Complainant cannot remain anonymous or prevent the complainant's identity from being disclosed to the respondent via the written notice of allegation.
- 4) The Formal Complaint should contain all known details about the allegations of misconduct including: date & time, location, parties, what happened, witnesses, & any other information relevant to the complaint.

Following the submission to the Title IX Coordinator or their designee of a signed Formal Complaint:

- 1) The Title IX Office will send out a Notice of Allegations to all known parties.
- 2) A trained college designee will review the formal complaint and determine what allegations, if any, must be dismissed or may be dismissed. Any dismissal may be appealed by either party using the appeal process outlined in section 1.9 of this policy.
- 3) Any surviving allegations may then be resolved through either the Formal or Informal resolution process, as appropriate.

1.61 - Notice of Allegations

Upon receipt of a Title IX or Non-Title IX formal complaint, the Title IX Office will provide the following written notice to the parties who are known:

- A. Notice of the College's Sexual Misconduct grievance process;
- B. Notice of the allegations of sexual harassment potentially constituting sexual harassment, including sufficient details known at the time. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known;
- C. The written notice will include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
- D. The written notice will inform the parties that they may have a Party Advisor (1.37.6) of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence; E) The Written notice will inform the parties that they may have a Support Person (1.37.11) of their choice.
- E. The written notice will inform the parties of any provision in Austin College's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process;
- F. If, in the course of an investigation, the assigned Investigator decides to investigate allegations about the complainant or respondent that are not included in the initial notice, the Investigator will provide notice of the additional allegations to the parties whose identities are known;
- G. The respondent will have a minimum of three calendar days to review the allegations and prepare a response before any initial interview.

1.62 – Mandatory/Discretionary Dismissal & Consolidation of Formal Complaints

1.62.1(a) - Mandatory Dismissal of Title IX Formal Complaints

Upon the receipt of a Title IX formal complaint, a trained college designee that otherwise has no involvement in the process will review the listed information and make a determination regarding whether the Formal Complaint must be dismissed or may continue through the Title IX process. If the conduct alleged in the Title IX formal complaint: 1) would not constitute Prohibited Misconduct (as defined in this policy under section 1.2, excluding section 1.22) even if proved, 2) did not occur in Austin College's education program or activity (section 1.1(a)), 3) did not occur against a person in the United States, or 4) if the complaint was not filed by a named Complainant (or the Title IX Coordinator) participating in or attempting to participate in the college's education program or activity, then the Title IX Coordinator must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Title IX; such a dismissal does not preclude action under another provision of Austin College's code of conduct if applicable. If there is more than one allegation of misconduct, the trained college designee will make a determination as to each allegation. If any or all allegations in a Formal Complaint are dismissed, all parties will receive notice of the decision and an explanation for the decision. The dismissal of a Formal Complaint may be appealed by either party.

1.62.1(b) – Mandatory Dismissal of Non-Title IX Formal Complaints

Upon the receipt of a Non-Title IX formal complaint, a trained college designee that otherwise has no involvement in the process will review the listed information and make a determination regarding whether the Formal Complaint must be dismissed or may continue through the Non- Title IX process. If the conduct alleged in the Non-Title IX formal complaint: 1) would not constitute Prohibited Misconduct (as defined in this policy under section 1.2, excluding section 1.21.2) even if proved, 2) did not occur in Austin College's operations (section 1.1(b)), or 3) if the complaint was not filed by a named Complainant (or the Title IX Coordinator) participating in or attempting to participate in the college's education program or activity, then the Title IX Coordinator will dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Texas Law & college policy; such a dismissal does not preclude action under another provision of Austin College's code of conduct if applicable. If there is more than one allegation of misconduct, the trained college designee will make a determination as to each allegation. If any or all allegations in a Formal Complaint are dismissed, all parties will receive notice of the decision and an explanation for the decision. The dismissal of a Formal Complaint may be appealed by either party.

1.62.2 - Discretionary Dismissal / Complaint Withdraw

Austin College's Title IX Coordinator may dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing: A complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; the respondent is no longer enrolled or employed by Austin College; or specific circumstances prevent Austin College from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein. If a Formal Complaint is dismissed both parties will receive notice of the decision and an explanation for the decision.

Specific Circumstances meriting discretionary dismissal are:

1. When no complainant is identified during the investigation.
2. When a formal complaint contains allegations that are precisely the same as allegations the recipient has already investigated and adjudicated.
3. When the length of time elapsed between an incident of alleged sexual harassment, and the filing of a formal complaint, prevent a recipient from collecting enough evidence to reach a determination.
4. When the complainant has stopped participating in the investigation but has not sent a written withdrawal request and the only inculpatory evidence available is the complainant's statement in the formal complaint or as recorded in an interview by the investigator.

1.62.3 - Consolidation of Complaints

The Title IX Coordinator may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances.

1.63 – Timing of Formal Complaints

There is no time limit for the filing of a Formal Complaint. However, at the time of filing a formal complaint, the complainant must be participating in or attempting to participate in the Austin College's education program or activity.

1.64 – Title IX Coordinator Signs the Formal Complaint

The Title IX Coordinator has discretion to sign a formal complaint. The following are circumstances that the Title IX Coordinator will take into account when making the decision to sign a Formal Complaint: the complainant's wishes, whether a complainant's allegations involved violence, use of weapons, threats, serial predation, or similar factors.

1.7 - Informal Resolution Process

Where appropriate, the informal resolution process can be used to resolve allegations of sexual misconduct or interpersonal violence by taking immediate and corrective action to stop the conduct, address its effects, and prevent recurrence without implementing a formal resolution process. An informal resolution process may also include a remedies-based process (mediation), which allows both participants to come to a mutual agreement regarding the resolution of the complaint. Informal resolutions may reach agreements between the parties, facilitated by the Title IX Coordinator or their designee, that include continued supportive measures but that also could include disciplinary measures, while providing finality for both parties in terms of resolving allegations raised in a formal complaint of sexual harassment.

The Informal Resolution Process may not be used to resolve a Formal Complaint alleging that an employee sexually harassed (1.21) a student.

The informal resolution process may include the range of Supportive measures described above, as well as targeted or broad-based training and educational programming for relevant individuals and groups or any other remedy that will achieve the goals of the College's policy. This process is facilitated by the Title IX Coordinator or their designee. For example, both participants may agree that the permanent application of Supportive measures (e.g. no-contact order) may be sufficient to resolve the complaint. This option is available if the College determines that such a process would be appropriate, and all participants agree to participate.

To enter into the Informal Resolution Process, both parties must provide voluntary written consent after receiving and reviewing the Notice of Allegation, & rules regarding the Informal Resolution Process.

The participants in any informal resolution process will not be required to interact with each other directly. Instead, the Title IX Coordinator or designee will arrange for or facilitate a remediesbased process or other form of mediation between the involved participants who are in different rooms. Once an informal resolution process is complete, both participants will be notified simultaneously/ contemporaneously (to the greatest extent possible, and consistent with FERPA or other applicable law) of the resolution.

1.71 - Administrative Agreement

The Administrative Agreement is an available form of Informal Resolution where the responding participant may elect to accept responsibility for the alleged policy violation through an Administrative Agreement, bringing an end to the Informal Resolution Process. To execute an Administrative Agreement both parties must acknowledge the policy violation, accept the proposed sanction(s), and waive any opportunity for appeal.

At any time prior to the final Informal Resolution/Administrative Agreement either party may withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint.

Parties that wish to pursue the Administrative Agreement Informal Resolution must notify the Title IX Coordinator in writing of their desire to do so. After the Title IX Coordinator has received both parties written notice of desire to engage in the Administrative Agreement, the Title IX Coordinator will issue a draft Administrative Agreement which includes the acknowledgement of the policy violation, the proposed sanctions as determined by the Title IX Coordinator, and the waiver of appeal. If agreed to by both parties then the Resolution process will end, and the Title IX Coordinator will enforce the agreement.

1.8 – Formal Resolution Process

The formal resolution process includes a prompt, thorough, impartial, and fair investigation into and adjudications of the allegations. Throughout the formal resolution process, participants will be treated fairly and equitably. The Formal Resolution Process requires and will provide an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence. All credibility determinations will not be based on a person's status as a complainant, respondent, or witness.

The Title IX Formal Resolution Process utilizes an Investigation by a trained investigator, & a Live Hearing with Cross Examination of the opposing party and all witnesses performed by the Party Advisor in front of a Decision Maker who is not the investigator. The Non-Title IX Formal Resolution Process utilizes a trained Investigator to prepare an Investigative Report, allows for party review and response to that Report, follow up interviews by the investigator, a decision regarding responsibility made by the Investigator, and sanctions/remedies issued by the Title IX Coordinator.

1.8(a) Title IX Formal Resolution Process

The Title IX Formal Resolution Process will follow these steps as articulated in 34 C.F.R. 106.45(5)-(7):

- 1) An investigation to gather all relevant evidence.
- 2) All evidence collected is compiled by investigator and sent to both parties and their advisor. The parties will have 10 days to review and respond to the evidence collected. All responses are sent to the investigator.
- 3) The evidence collected and party responses submitted within the allotted 10 days to that evidence are incorporated into the Investigative Report which will fairly summarize all relevant evidence.
- 4) The Investigative Report will be sent to the parties and their designated Party Advisor. The parties will have at least 10 days to review and respond to the Investigative Report before the Formal Resolution Live Hearing. The Title IX Coordinator will communicate the date, time, & location (or online meeting link) to the parties and their advisors.
- 5) The Live Hearing Decision Maker reviews the Investigative report before the Live Hearing. 6) A Live Hearing where the Decision Maker & both party advisors may ask any party & witness relevant cross examination questions as determined by this policy & enforced by the Decision Maker.

7) The Publication of a Determination Regarding Responsibility which includes the rational and an outline of any sanctions and/or remedies imposed by Austin College. 8) Applicable appeals process.

1.8(b) Non-Title IX Formal Resolution Process

- 1) An investigation to gather all relevant evidence.
- 2) Both parties & their advisors are emailed the evidence collected by the investigator & have 10 days to submit written responses to the Investigator.
- 3) The Investigator creates the Investigative Report out of collected evidence & responses. The Investigative Report will fairly summarize all relevant evidence.
- 4) Both parties & their advisors are emailed the Investigative Report by the investigator & have 10 days to submit written responses to the Investigator.
- 5) The Investigator conducts any necessary follow up interviews or discussions based on party responses to Investigative report.
- 6) The Investigator publishes a Determination Regarding Responsibility which includes the rational for each decision.
- 7) The Title IX Coordinator will, after reviewing the Investigative Report & consulting with the Investigator as needed, assign sanctions and/or remedies as they deem appropriate.
- 8) Applicable appeals process.

1.81 - Investigation of Title IX & Non-Title IX Formal Complaints

The formal resolution process includes a prompt, thorough, impartial, and fair investigation into the allegations. Throughout the investigation and process, participants will be treated fairly and equitably. The Title IX Coordinator will assign an investigator(s) who has been trained in the investigation of, and other issues related to, sexual discrimination, sexual misconduct, and interpersonal violence. The investigator(s) shall not have a conflict of interest or bias for or against any participants involved in the potential policy violation. The investigator(s) will undertake an investigation for the purposes of creating an Investigative report that fairly summarizes evidence relevant to the allegations in the Formal Complaint.

1.81.1 Investigation Requirements:

- 1) It is the responsibility of the investigator(s) to gather the evidence relevant to the formal complaint and the facts raised in the participant's statements, provided that the Investigator cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the Investigator obtains that party's voluntary, written consent to do so. Participants should make themselves available to the investigator(s) and can provide information they believe relevant to the investigators.
- 2) Both Parties will have an equal opportunity to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence.
- 3) The Title IX Office will not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence.
- 4) The Investigator will provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney. Austin College will not limit either party's choice or presence of advisor in any meeting or grievance proceeding. Timely notice of a party's Change of Advisors must be made to the Title IX Office. During the Investigation, advisors may not advocate or present on behalf of the participant, they may only confer quietly with their participant as necessary, as long as it does not disrupt the investigation interview. This rule applies equally to both the complainant and the respondent.
- 5) The Title IX Office &/or the assigned investigator will provide to a party & their advisor whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all, investigative interviews, with sufficient time for the party to prepare to participate. Sufficient time for the purpose of an interview under this section is at least 3 days.
- 6) Parties may submit to the Investigator questions they would like asked of any known potential witnesses or parties.

1.81.2 – Compilation of Evidence sent to Parties for Review & Response

- 7) After all initial interviews are completed & relevant evidence has been collected, the Investigator will send that compilation of evidence to both parties and their advisors for review and response. This Compilation of Evidence contains the evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which Austin College does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Parties will have 10 days to submit their responses to the investigator.

1.81.3 – Investigative Report Created, Sent to Parties

- 8) The Investigator will take the evidence collected, and the parties responses to the Compilation of Evidence sent to Parties to create the Investigative Report.
- 9) The Investigative Report will then be submitted electronically to both parties and their advisors. Both parties will have ten days to review and respond to the Investigative Report. Parties must submit their responses to the Investigator.

1.81.4 – Investigative Report Submitted to Decision Maker

- 10) After the allotted 10 days, the Investigative Report and the party responses to it will be sent to the Decision maker for review.

1.81.5 – Live Hearing Scheduled (Title IX Only)

- 11) The Title IX Office will communicate with both parties the time, location, and manner of Live Hearing, which will be held at least ten days after both parties are sent the Investigative Report.

1.85.6 – Submitting New Evidence

- 12) Parties & witnesses may submit new evidence to the Investigator that could affect the outcome of the matter if it was not reasonably known at the time of their interviews, within the 10 days allotted for review and response to the Investigative report under section 1.81.3(8). New Evidence submitted to the Investigator after the 10 days will not be received or discussed at the Live Hearing.

1.82 – Live Hearing (Title IX Only)

1.82.1 – Hearing Order

The Live Hearing will proceed as follows:

- 1) Opening Statement by the Decision Maker, Complainant, and Respondent.
- 2) Examination of the Complainant by: Decision Maker, then Respondent Party Advisor
- 3) Examination of the Respondent by: Decision Maker, then Complainant Party Advisor
- 4) Examination of Witness One by: Decision maker, then Complainant Party Advisor, then Respondent Party Advisor. (Step 4 repeats until all witnesses have been examined.)
- 5) Either Party Advisor may request a brief re-cross of an opposing party or any witness.
- 6) Closing Statement by Complainant, then Respondent.

1.82.2 - Digital Hearing Request

At the request of either party, The Title IX Office must provide for the live hearing to occur with the parties located in separate rooms with technology enabling the decision-maker and parties to simultaneously see and hear the party or the witness answering questions.

1.82.3 - Cross Examination

At the live hearing, the decision-maker must permit each party's advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility.

1.82.4 - Party Advisors

Such cross-examination at the live hearing must be conducted directly, orally, and in real time by the party's advisor of choice and never by a party personally. If a party does not have an advisor present at the live hearing, Austin College must provide without fee or charge to that party, an advisor of Austin College's choice, who may be, but is not required to be, an attorney, to conduct cross-examination on behalf of that party.

1.82.5 - Decision Maker Determines Relevant Evidence Procedure

Only relevant cross-examination and other questions may be asked of a party or witness. Before a complainant, respondent, or witness answers a cross-examination or other question, the decisionmaker(s) must first determine whether the question is relevant and explain any decision to exclude a question as not relevant. This determination will be made in real time; cross exam questions may not be approved as relevant or not relevant before the hearing. When the Party Advisor objects to the Decision Makers ruling on Relevance, they may make a brief statement to the Decision Maker as to why the question is relevant and doesn't call for privileged information or non-relevant sexual behavior. The Decision Maker will either allow the question or rule it as not relevant.

Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

Questions Procedure. Advisors will ask questions under the following procedure:

- The party advisor will ask a question of the applicable participant.
- Before the participant answers a question, the Decision Maker will rule as to whether the advisor's question is relevant to the alleged conduct charges in one of three ways: 1) Relevant, 2) Not relevant, the questions asks about a detail that does not tend to prove or disprove the matter at issue or under discussion, or 3) Not relevant, calls for prior sexual behavior information without meeting one of two exceptions.
- If the Party Advisor asking the question objects to the Decision Makers ruling &/or explanation of the question as not relevant, the Party Advisor may offer a brief statement as to why it is relevant. If this is done the Decision Maker will consider the statement, and make a ruling one way or the other.
- If the hearing officer allows the question as relevant, the participant will answer it.

1.82.6 - Failure of a Party or Witness to Submit to Cross Examination

If a party or witness does not submit to cross-examination at the live hearing, the decision-maker must not rely on any statement of that party or witness in reaching a determination regarding responsibility; provided, however, that the decision-maker cannot draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the live hearing or refusal to answer cross-examination or other questions.

1.82.7 - Rules of Decorum

During the Live Hearing, the Clerk &/or Decision Maker(s) will enforce rules of decorum. Parties and their Advisors are forbidden from badgering the other party or any witness. Badgering includes yelling at, harassing, or asking the same irrelevant question multiple times. The Clerk will notify the party or their advisor when they are badgering the witness and will ask the party or advisor to conform their question asking to an appropriate, non-badgering manner. All communication by all participants toward any other participant must be done respectfully.

1.82.8 – Review of Exhibits

During the Live Hearing, Party Advisors may show relevant videos, pictures, & documents that were included in the Investigative Report & are ruled relevant by the Decision Maker. During their allotted time to examine the applicable participant, the Party Advisor will tell the Decision Maker which exhibit they plan on asking relevant questions about, and then the question procedure listed under section 1.82.5 of this policy will be followed.

1.82.9 – No New Evidence may be introduced at Live Hearing

Evidence that was not included in the Investigative Report may not be introduced at the Live Hearing. Both parties have the equal right to appeal the Determination regarding responsibility based on the availability of newly discovered evidence that may affect the outcome of the matter.

1.82.10 – Reasonable Time Limit on Hearing / Break

Without good cause determined by the Decision Maker, The Live Hearing may not proceed for longer than two hours. After both the Complainant and Respondent have been examined, a short break of 5 minutes will be allowed. This 5 minutes will not count toward the 2.5 hours limit. The Decision Maker may grant additional short breaks. Participants may not discuss the hearing with other participants in that break time.

1.83 - Determination Regarding Responsibility

- 1) The decision-maker, who cannot be the same person(s) as the Title IX Coordinator or the investigator(s), must issue a written determination regarding responsibility. To reach this determination, the Decision-maker will apply the preponderance of the evidence standard of evidence. Preponderance of the evidence means more likely than not. This standard is used in all Title IX & Non-Title IX Sexual Misconduct cases.
- 2) The written determination must include—
 - A. Identification of the allegations potentially constituting sexual harassment as defined in this policy.
 - B. A description of the procedural steps taken from the Title IX Office of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;

- C. Findings of fact supporting the determination;
- D. Conclusions regarding the application of Austin College's Sexual Misconduct policy to the facts;
- E. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions Austin College imposes on the respondent, and whether remedies designed to restore or preserve equal access to Austin College's education program or activity will be provided by the Title IX Office to the complainant; and
- F. Austin College's procedures and permissible bases for the complainant and respondent to appeal. (Described below)
- G. The Title IX Office must provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that Title IX Office provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.
- (H) The Title IX Coordinator is responsible for effective implementation of any remedies.

1.84 - Sanctions

If a participant is found in violation of a college policy, sanctions will be determined by the

Decision Maker(s) in a Title IX process OR the Investigator and Title IX Coordinator in the NonTitle IX process based on a number of considerations. Such considerations may include: severity, persistence, or pervasiveness of the policy violation; nature of the policy violation, including whether the policy violation included violence; impact on the reporting participant; impact on the responding participant; impact or implications of the policy violation on the larger Austin College community; prior misconduct by the responding participant, including the responding participant's relevant prior disciplinary history at the College; whether the responding participant accepts responsibility for the policy violation; maintenance of a safe, nondiscriminatory, and respectful environment conducive to learning; and any other mitigating, aggravating, or compelling factors. Possible sanctions include one or more of the following:

- Expulsion,
- Suspension,
- Probation,
- Educational Sanctions,
- Revocation or withholding of admission or degree pending completion of other sanctions,

1.84.1 Student Withdrawal or Graduation Pending Disciplinary Charges

If a student is ineligible to reenroll at Austin College for a reason other than an academic or financial reason, Austin College will include on that student's transcript a notation stating that the student is ineligible to reenroll for a reason other than an academic or financial reason. If a student withdraws or graduates from Austin College pending disciplinary charges that may result in the student becoming ineligible to reenroll in the college, the college will not end the disciplinary process until there is a final determination of responsibility. If, as a result of the process, the student is ineligible to reenroll at Austin College for a not academic or financial reason, a notation stating such will be placed on that student's transcript.

The Transcript Notation may be removed if: 1) the student becomes eligible to reenroll in the college, or 2) the college determines that good cause exists to remove the notation.

2.0 – Updates to this Policy

Austin College reserves the right to modify this policy at any time.

2.1 - Discrimination and Harassment based on Pregnant and Parenting Status

Austin College prohibits discrimination & harassment against students based on pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery from any of these conditions unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

Students may report discrimination and harassment and seek both academic & non-academic accommodations based on their pregnant or parenting status by contacting the Title IX Coordinator. Students seeking academic accommodations should review their class syllabus (class schedule, project due dates, exam dates) & plan appropriate accommodations in advance with the Title IX Coordinator and their professors. Students seeking to miss regularly scheduled classes or alter assignment due dates based on required medical appointments are encouraged to contact the Title IX Office as soon as possible. Accommodations for pregnant & parenting students will be treated the same as a temporary disability, meaning students may have to provide a doctor's note that explains why a certain accommodation is medically necessary.

Accommodations for pregnant or parenting students may be: a larger desk, frequent trips to the bathroom during class, eating and drinking in class, rides around campus, change in assignment due dates, excused absences, or other appropriate measures as determined by a doctor & Austin College.
