

Smoke, Vapor, and Tobacco-Free Environment

A&M Commerce Rule:

Approved: March 27, 1998

Most Recent Revision: August 4, 2016

Next Scheduled Review: August 4, 2021

Responsible University Office:

Office of the Vice President for Business and Administration

Responsible University Administrator:

Vice President for Business and Administration

To protect the health and well-being of people on campus and to protect the physical condition of university owned property, smoking, vapor, and tobacco use is prohibited inside and adjacent to any building owned, leased, or operated by A&M-Commerce. Maintaining a smoke, vapor, and tobacco-free environment is the responsibility of all members of the campus community, including visitors; and relies on the thoughtfulness, consideration, and cooperation of tobacco and vapor users.

The following areas will be smoke, vapor, and tobacco-free:

- (a) University-owned and leased housing (apartments, resident halls)
- (b) All indoor air space of university owned athletic facilities
- (c) Public seating areas in athletic outdoor facilities
- (d) Eating areas (dining halls, cafeterias, food courts, snack bars, The Club)
- (e) All other university buildings, entrances to buildings, and university vehicles
